31st December 2024

KJ College of Engineering & Management Research

A Newsletter of Engineering Science Department

INTRODUCTION

The December issue of Newsletter of Engineering Science Dept is the Twelfth issue of the year 2024 .It features a number of events, activities, and accomplishments racked up by our students and faculty in the month of December 2024.

We are thankful to our founder President Hon. Shri Kalyan Jadhav Sir, Management and Principal Dr. Suhas Khot for their continuous support and firm belief in us.

Design thinking and Idea Laboratory-Project Presentation by FE Students

Around 50 groups (Approx. 300 students) of FE students participated in the Project Competition under Design thinking and Idea thinking Laboratory Presentation .

Technical Director Dr. AM Fulambarkar , Principal Dr. Suhas khot visited the project competition and interacted with students. Questions were asked about their projects .

Project Evaluation was also done by Expert Judges appointed from all departments and FE Engineering Science Department Faculties.

All the groups have implemented the Logical thinking in some way or the other in their models .One of Project Group has successfully designed the working model of proposed Luggage Vehicle for Campus.

Raw model is technically working Dr. Shankar and Prof. Prakash Malvadkar also guided the students for the same.

Principal , Dr. Suhas Khot appreciated the innovations and creative thinking of the FE students and the guidance rendered by the staff members of Engineering science Department.

कोंढवा, जनवरी (हड़पसर एक्सप्रेस न्यूज नेटवर्क)
पुणे के के.जे. अभियांत्रिकी महाविद्यालय में प्रथम वर्ष के इंजीनियरिंग छात्रों ने एक इलेक्ट्रिक 3-पहिया सामान वाहन विकसित किया है। इसमें मुख्य रूप से कंप्यूटर, मैकेनिकल, इलेक्ट्रिकल, ईएंडटीसी और वीएलएसआई डिजाइन विभाग के छात्र शामिल हैं।

Freshers' party.

Fresher's Party was arranged for the First year students of KJCOEMR on 24/10/2024
fresher's party was a welcome event organized to greet and introduce new students to campus life. It typically features fun activities like icebreakers, music, dancing, and games, creating an opportunity for students to socialize, meet peers, and bond with faculty. The event included , drinks, themed decorations, and performances or competitions. The goal was to help fresher's feel comfortable, make new friends, and kick start their university experience in a fun and memorable way.

Esteemed Organizer of Blood Donation Camp' award

It is a great honor to announce that K J College of Engineering and Management Research, Pune, National Service Scheme (NSS) has received the prestigious 'Esteemed Organiser of Blood Donation Camp' award from Government Sasoon Hospital , B.J.Government Medical College, Pune. This recognition honors the institute's consistent and dedicated efforts in organizing successful blood donation camps, making a significant impact on the community. Snadeep Sahane , Asst.
