## Committee Activity Report

<b>Program Committee:</b>	Higher Education Cell		
<b>Program Co-ordinator:</b>	Prof.N.Chandran		
<b>Program Committee members:</b>	1. Prof. Snehalata G Nandanwar		
	2. Rupali G .Godke		
	3. Sirish L. Konde		
	4. Deepti D. Kulkarni		
<b>Date: 27/1/17</b>	Friday	<b>Time:</b>	10.00 A.M to 12.45 P.M
<b>Venue:</b>	TAE Seminal Hall		
<b>Title of Program:</b>	Higher Education Opportunities Abroad		
<b>Speaker/Guest:</b>	Milind Joshi and Sumitra Sen.		

### **About Activity:**

The program was about enhancing opportunities available for Higher Education Abroad for our students. Our Principal, Dr.V.M.Wadhai shared his experiences about students seeking admissions in Universities Abroad. He said that higher education abroad is meant for future employment and gaining global exposure for the students.

Mr. Milind Joshi and Ms.Sumitra Sen from SIEC, together shared with our students regarding Higher Education opportunities available for them. They had discussed about why Indian students go abroad for higher studies, their usual destinations. They had compared different countries in terms of opportunities where Indian students go for higher studies. Also given a general idea about selecting the course and country. Also discussed about the paper work and documents required and examinations they have to clear for getting admissions.

### **The following points had been covered during the session:**

Students have expressed their concerns regarding the course admission requirements and finances. Indirectly this confirms they would be ready to go abroad for higher studies, if there is not much hurdles to start with. They specified that SIEC Education Pvt Ltd – is a 22 year old organization which helps students in pursuing their higher education abroad (in countries like Australia; Canada, Germany, Singapore, U.S.A, U.K and New Zealand.). They are committed to all eligible students who could get admission by clearing the prerequisite examinations. They fulfill all promises made as this would help them sustain the reputation among the aspiring students for Higher Education.

At the end they have conducted a Mock test of British Council's IELTS – (Reading & Writing Modules). Students found it is like an eye opener as clearing this examination alone would help to get admissions in some of the countries like Australia, and Canada.

SIEC is also ready for a full day counseling in February 2017 for the Final Year B.E students, if not less than 50 students register for availing their counsel.

SIECs expertise includes expert guidance on IELTS, TOEFL, SAT, GRE, GMAT. They have 24 offices across India and provide answers to concerns regarding financial aspects and interview held during Visa processing.

**Program Outcome:**

1. Created awareness about Higher Education Possibilities Abroad
2. Encouragement among students on opportunities available for Indian Students.
