Subject: [Google Developer Student Clubs] Congratulations!

Google Developer Student Clubs

Dear Saba,

Congratulations! We are thrilled to inform you that you have been selected as a Google Developer Student Club Lead for your campus!

You are joining an amazing community of student leads who will be representing hundreds of colleges and universities across the globe.

You were selected because you are a leader who believes that technology can do extraordinary things for the world. You have taken on the responsibility to help students grow as developers and empower these students to impact their communities with technology. Through this experience you will not only be leaving a legacy of impact but also growing as an individual and contributing in a meaningful way to the greater developer ecosystem.

What do you need to do next?

Please complete [this form](#) ASAP to confirm that you wish to become a GDSC Lead. Please note that not completing the Confirmation Form within 7 days means that you are declining not to become a GDSC Lead for the 2022-2023 year.

Receiving your confirmation form will allow us to move forward with welcoming you into our student developer community.

Further instructions about becoming a GDSC Lead will follow soon.

We look forward to hearing from you via the [Confirmation Form](#).

Thanks again for your interest and congratulations!

Best wishes,
Google Developer Student Clubs Team

P.S. We will value your feedback on the GDSC lead selection process, to make the experience even better. Please share with us your thoughts via [this form](#). Thank!

This is an automatically generated email, please do not reply.
For any questions related to the Program, please reach directly to your Program Managers at developersstudentclubs-swapsri@google.com

➤ Safety and Security:

Women security is always at highest priority of Institute. For this Institute is providing highly secure environment by providing Guard facility, strong CCTV Surveillance system. Restricted entry in the campus, various session have been arranged to aware women about their safety and security. Institute is having committees related to Women security which includes Anti-ragging committee, Women Grievance Cell and Internal Complaint Committee for handling any issues if arises. Below is the detail information about all these provisions.

• Hi-Tech Surveillance system

Institute is having Hi-Tech Surveillance system at college level and at hostel. High resolution cameras through day and night with the facility of distributed recording in control room have been set up in the campus; entry of unwanted person is monitored through these cameras. It helps to keep a check on antisocial activities. This system ensures that all Female staff, students can move freely in the campus and feel assure that they are secure at all the time in the campus.
