## Annual E- Governance Report for the AY 21-22

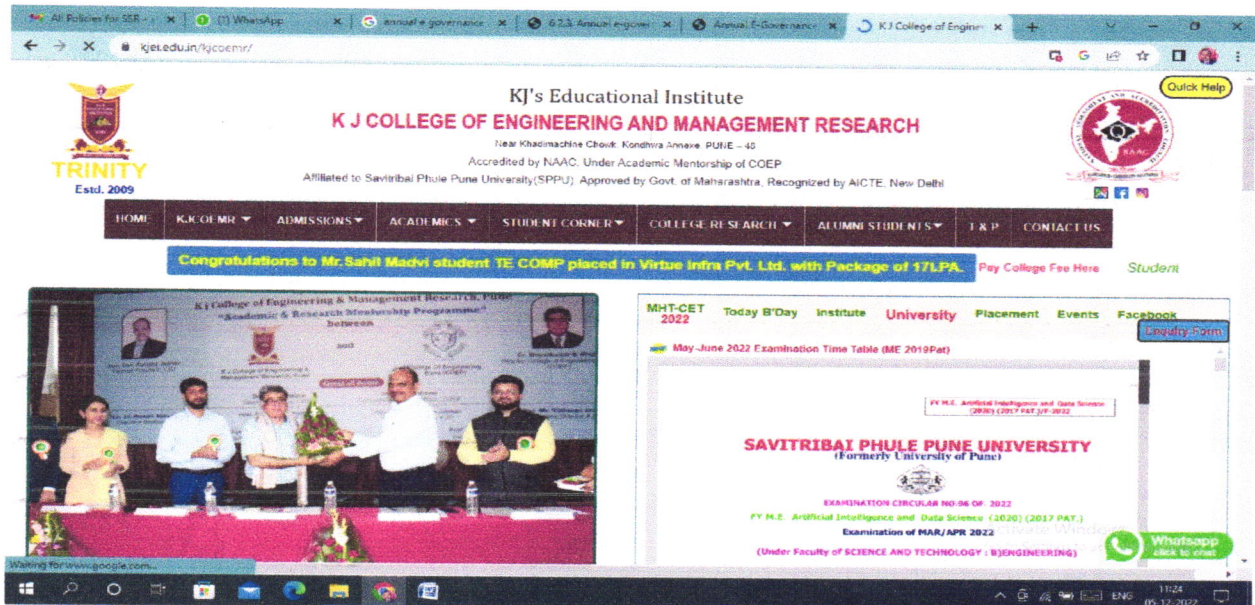

E- Governance means governance with Information Technology .The demand for transparency in Administration, faster information transfer can be fulfilled by E- Governance.

The college is implementing the e- governance to enhance the transparency and accountability to provide better service in time and make the services more accessible.

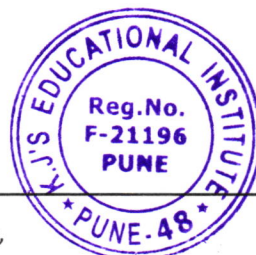

Many Initiatives are taken by college towards E- Governance like

- 1) Communication through e- mails and text messages
- 2) All important notices to students are published on website and messaged through Whatsapp groups.
- 3) Biometric attendance of all staff
- 4) WiFi facility in the campus
- 5) College equipped with CCTV Cameras
- 6) Google classroom for the students
- 7) Slim software is used in the library.

The website is the information center where all the information is available

Website of the college
