Dear Director / Principal ↴

It gives me immense pleasure to announce that a Virtual Internship Program is organized for students studying in Engineering and Management with the objective to help Indian as well as foreign students to impart meaningful, relevant, latest inputs and practical work experience through the virtual platforms. It will fulfill the need for the internship and gain knowledge of emerging fields that students may miss in

the backdrop of the COVID-19 pandemic. A virtual internship is designed with eight programs and students can participate as per their own area of interest to pursue research work in a specific field.

A virtual internship is planned for five weeks (150 hours) which includes activity-based teaching, laboratory work through software or recorded video, and mini-projects. An internship will be conducted by faculty of RIT, faculty of NIT / IIT/ other reputed organizations, and experts from industry.

Evaluation of students will be made on the basis of performance in mini projects and involvement of students during various activities. A joint certificate with the GEDC India chapter and grade will be provided after the successful completion of the internship.

The registration fee of five weeks of a virtual internship is Rs. 4000 /-

(Early Bird Registration Fee: 3600; Early Bird Registration deadline: 7th June 2020)

Date of program: 15th June to 15th July 2020

Benefits of Virtual Internship:

1. Seek meaningful, relevant, and practical knowledge of emerging topics of various disciplines of engineering and management through a virtual platform.
2. Cater to specific educational needs.
3. Develop a habit of activity-based and experiential learning.
4. Intensive & interactive learning environment
5. Get inspiration for research work.
6. Upgrade to an impressive CV with a joint certificate with GEDC.

List of courses offered by Virtual Internship Programs:

1. Automotive Technology
