ABOUT KJEI	ABOUT KJCOEMR	REGISTRATION
<p>The KJEI Educational Trust was established in 2005, to serve the Rural area in the field of education. The Lush green campus of over 110 acres, located in the Sahyadri valley at Bopdev Ghat, near Kondhwa Annex area in Pune city. Under the umbrella of KJ's Educational Institute, we are running various Engineering, Pharmacy, Architecture, Management, Engineering Diploma courses and an International School with Junior College to serve the rural area in the field of education. We have one of the largest and best educational campus spread over 110 acres with excellent infrastructure. Our first Institute namely Trinity College of Engineering & Research was established in year 2008 with the aim to provide quality education in the field of engineering. It is one of the few reputed engineering Institutes in the jurisdiction of the Savitribai Phule Pune University.</p>	<p>KJCOEMR was established in the year 2009. We offer four year full time degree course in 'Bachelor of Engineering' with specialization in Civil, Computer, Electrical, Electronics and Telecommunication, and Mechanical Engineering and four post graduate courses in Computer Engineering, Computer Networks, Structural Engineering, and Design Engineering. The college is under Academic Mentorship of COEP and accredited by NAAC. The college is approved by AICTE, DTE, Govt. of Maharashtra and is affiliated to Savitribai Phule Pune University, Pune.</p>	<p>Registration Link: https://forms.gle/h3fNYdeMCEtxGL7L8 ISTE Members : Rs. 100/- [Certificate will be provided by ISTE]</p>  <p>Non ISTE members: Free</p>
	ABOUT DEPARTMENT	ABOUT STTP
	<p>The department was established in 2009 to cater to the requirement of trained Engineers in the field of Mechanical Engineering. The department is having a UG course in Mechanical Engineering, with intake capacity of 120 students and Post Graduate courses in Design Engineering.</p>	<ul style="list-style-type: none"> <input type="checkbox"/> This STTP is open for all faculty members of Engineering. <input type="checkbox"/> Sessions will be conducted online through Google Meet. <input type="checkbox"/> Online Registration is Mandatory to participate in STTP. <input type="checkbox"/> E-Certificate will be provided to all participants after clearing the online test and with 60% attendance.

About the Institute

Institute was founded with the noble vision to raise professionals and leaders of high academic caliber who can face the challenges of advancing technology and newer knowledge areas. We want to prepare our students professionally, nurture them with a strong motivation and commitment to serve humanity. KJCOEMR was established in the year 2009. The College is approved by AICTE & DTE, Govt. of Maharashtra and is affiliated to Savitribai Phule Pune University.

The modern state-of-the-art infrastructure and facilities are developed to provide conducive atmosphere for Teaching, Learning & all round development of the students. Teaching methodology includes well prepared Lecture Notes, latest Presentation Techniques, Interactive Sessions, as well as dialogue between students and teachers.

About the Electrical Engineering Department

The Department of Electrical Engineering was established in 2010 with the intake of 60 students and offers UG program. The Department has qualified and experienced faculty in all the related fields of Electrical Engineering. Core subjects under UG program include Electrical Power System, Electrical Machines, Control System, Microprocessors, Power Electronics and Digital Signal Processing.

Eligibility Criteria:

Research Scholar, PG students, faculties of all Degree and Diploma colleges of all branches and Industrial person who want to do research or work in field of Artificial Intelligence (AI) and Internet of Things (IoT).

Important Date: Complete the online registration process on or before 22 Jan 2020. Carry the hardcopy of registration form along with you..

Objective of Workshop:

Objective of the workshop is to facilitate the exchange of latest knowledge in the field of Artificial Intelligence (AI) and Internet of Things (IoT) to those who are working in this field. Especially this will make the researchers, academicians and post graduate students aware about challenges in this field.

Best Learning Practices

Learning, teaching, and research are integral
 components of the educational process. At KJ
 College of Engineering and Management Research,
 we have adopted a number of best practices
 to ensure that our students receive the best
 quality of education. These practices include
 the use of innovative teaching methods,
 the implementation of research-based
 learning, and the promotion of a culture
 of continuous improvement. These
 practices have helped us to achieve
 significant success in our academic
 programs and to provide our students
 with the skills and knowledge they need
 to succeed in the workplace.
