Policy Document for Disabled friendly and barrier free Environment

Preamble: To create disabled friendly and barrier free environment in the institute.

Objectives:

- 1) To prohibit discrimination against individual with physical and mental disability
- 2) To provide an environment of teaching learning process with students having disability
- 3) To decide the examination policy for disabled students.

Policy:

The Policy of KJ College of Engineering and Management Research for disabled friendly environment is in accordance with Right of Person with Disability act 2016 that prohibits discrimination against individuals with Physical and Mental disabilities

The college provides an environment of teaching learning process where any student having any type of disability is not treated unfavourably.

The college provides various provisions to create disabled free environment. The campus should be barrier free and accessible for persons with differently able. For this, Ramps and Railings at appropriate places are provided.

A separate seating arrangement and use of writer in the examinations is permitted as per the University guidelines.

DISABLED-FRIENDLY, BARRIER FREE ENVIRONMENT

K J College of Engineering and Management Research provides an accessible environment that allows people with disabilities to move safely and freely also use the facilities within the built environment. The environment supports the independent functioning of individuals so that they can participate in day to day activities.

Disabled-friendly, barrier free environment facilities available in the Institute

1. Ramp

Along with steps sloped ramp with metal railing were constructed at the entrance of institute. The ramp designed as per the specifications required for people with different abilities.

Ramp with metal railing at the entrance

Campus : Sr. No. 25 & 27, Pisoli, Near Bopdeo Ghat,
Tal: Haveli, Dist: Pune - 411 048
Phone: 020-26934417, 69709009, 65789009

Head Office : 408/50th Floor, "Paradise Complex",
Mukundnagar, Industrial Estate, Pune - 411 030
Phone: 91-20-24269100, 24267100, Fax: 91-20-24264379

8. Light Poles and Halogen Lamps

Light poles play an important role in ensuring people can navigate dark roads, parking lots and walkways without losing their steps. By illuminating the campus, the poles will help to avoid accidents and injuries. Light poles and halogen lamps are installed at internal paths and key locations in the campus. It allows the safe movement during night time.
