7.1.3.3 CLEAN AND GREEN CAMPUS INITIATIVES

KJCOEMR is an environmental friendly institution. The college campus located in a clean and pollution free environment is spread over 110 acres. KJCOEMR is committed to the green movement. The institute invests all efforts to maintain and beautify the campus with lush greenery and cleanliness. The KJCOEMR, since its inception, aims to reduce energy consumption, ensure standard indoor air quality, and improve energy efficiency on campus through methods that are consistent with a safe, secure, and involving the Community within the campus.

Major Clean and Green campus Initiatives in KJCOEMR campus

- Policy Drafting
- Landscaping
- Rain/Storm Water Management
- Reuse of Waste Water and Conserve the Fresh Water by Using Sewage Treatment Plant (STP)
- MoU for E-Waste
- Use of LED and Alternate Energy Source
- Digital Library
- Use of Public Transport and Carpooling
- Restricted Entry of Vehicle and Parking
- Minimum Use of Paper
- Cleaning Management
- Awareness Creation
- Activities for Clean and Green Campus

Policy Drafting, Landscaping, Rain/Storm Water Management, Reuse of Waste Water and Conserve the Fresh Water by Using Sewage Treatment Plant (STP), MoU for E-Waste, Use of LED and Alternate Energy Source, Use of Public Transport and Carpooling and Minimum Use of Paper these initiatives are already explained in 7.1.2 under green campus initiatives.

- **Cleaning Management**

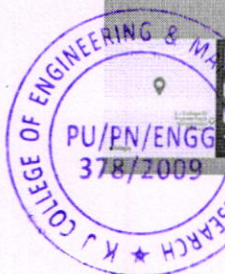

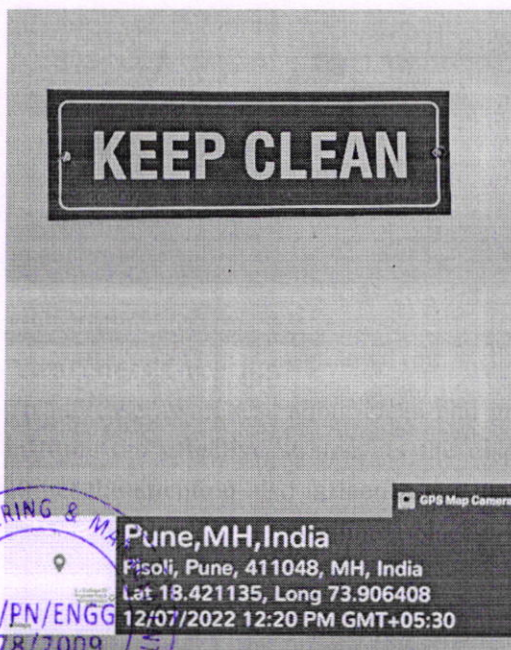

Provide a clean, comfortable, and attractive environment for all those who use the college and its premises is the main objective of housekeeping staff. KJCOEMR has dedicated housekeeping staff equipped with all necessary tools and material. These staff take care of cleanliness inside the institute building as well as in the college campus. Leaves from tree , grass and other biomass compost in compost pit with the help of gardeners.

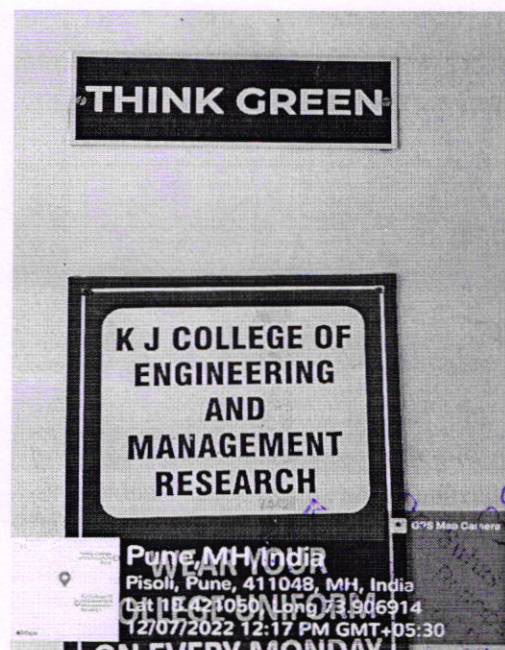

Housekeeping staff doing cleaning

- **Awareness Creation**

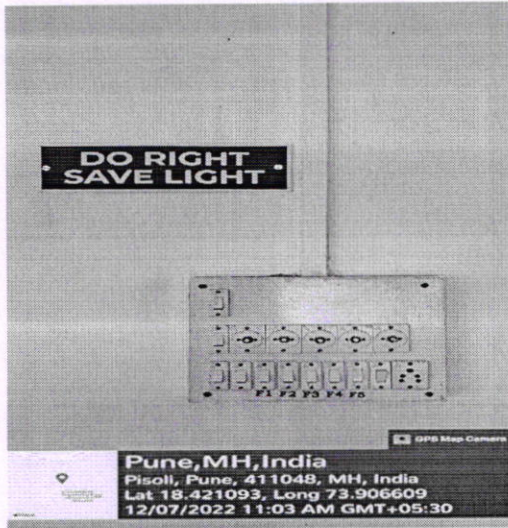

To increase awareness about clean and green initiatives among the students and staff of institute the effective strategy is the display the slogans and messages. These slogans attract the attention also influence our thoughts or actions. These slogans are displayed in the institute building at prominent places.

Message for Cleanliness

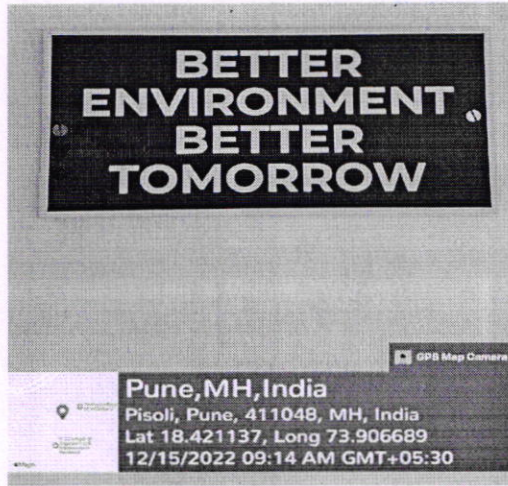

Message for adopt green approaches

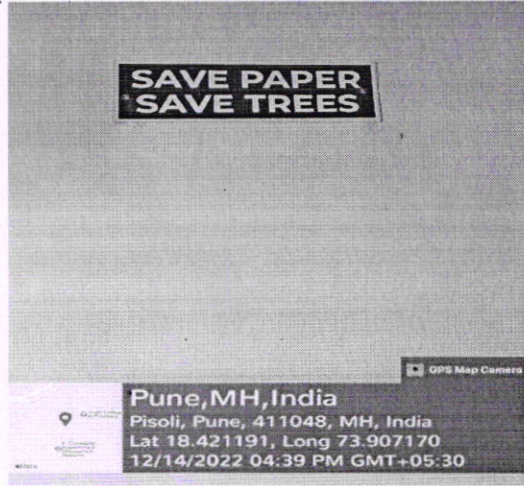

Slogan for energy conservation

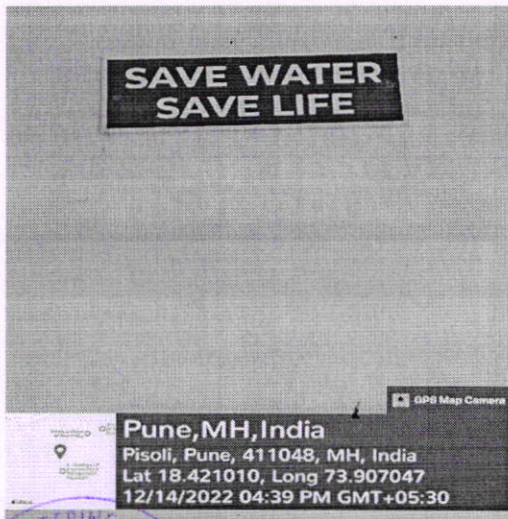

Message for energy conservation

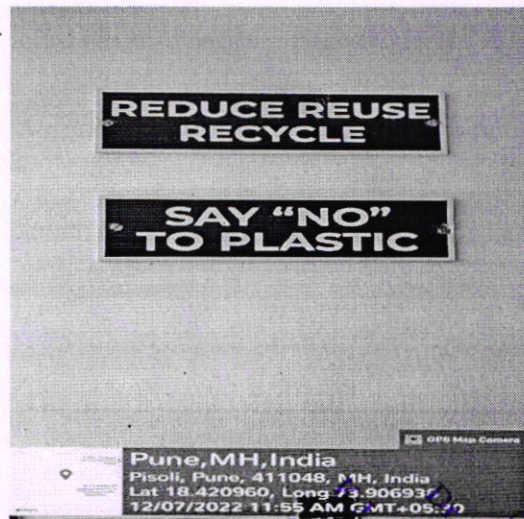

Slogan for save environment

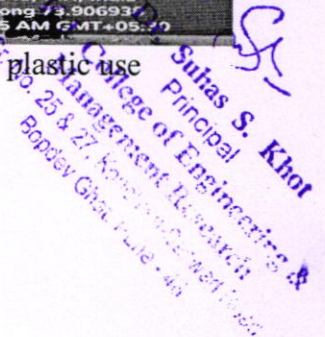

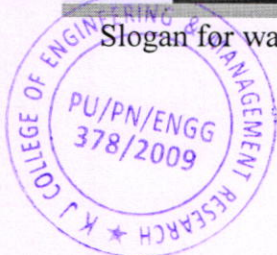

Slogan for reduce paper use

Slogan for water conservation

Slogan for reduce plastic use

“Tree Plantation on the occasion of Engineer’s Day”

Date:- 15th September 2020

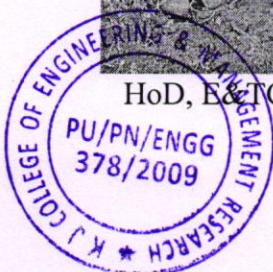

Plantation on the occasion of Engineer's Day, KJ College of Engineering and Management Research, a college run by KJ's Educational Institute, Pune, started the second phase of tree plantation drive in the institute's complex. On 15th September 2020 College principal, Dr Suhas Khot, head of all departments, national service scheme programme officer, student welfare Board coordinator as well as teacher and non-teaching staff planted their respective trees and place their name plates near the planted tree. Everyone has decided to take care of the said tree. The president of the Institute, Shri Kalyan Jadhav sir suggested this innovative initiative to implemented as it was not possible to take any other activity during the crisis of Covid.
