Report on
VILLAGE CLEANLINESS AND ENVIRONMENT CONSERVATION CAMPAIGN

Date: - 14th March 2022 to 20th March 2022

The clean and green environment is very important from ecology point of view. All of us live in a neighborhood or surrounding. We must conserve the environment and keep our surroundings clean. This will help us to live healthy and better lives. The main idea of this campaign was to inculcate independence and social service in students also emphasized the importance of cleanliness in society, invoked the feelings of environment conservation in the students and villagers through this campaign.

NSS team of K J College of Engineering and management Research (KJCOEMR) taken the initiative for this campaign from 14th March 2022 to 20th March 2022 at "Pimple, Tal- Purandar, Dist. – Pune. The importance & awareness of cleanliness and environment conservation is conveyed to all participated students. The Respective place is located 27 kms from institute via Saswad, Pune. Bus Facility is provided by college to students for transportation.

Various cleaning and environmental conservation activities were conducted by students of KJCOEMR during seven days of campaign, which include road cleaning, school premises cleaning, Temple premises cleaning, Village premises cleaning etc. Colouring activities were also conducted by students at Temple premises, Grampanchayat area and road side area. The students also painted the village bus stop. Awareness message about cleanliness were circulated by students through slogan painting for ex. "Swacha Pimple, Sundar Pimple", "Ek kadam swachhata ki aur". The campaign also focused on spreading awareness about soil and water conservations. To explain the importance of water and its conservation special guest lecture was arranged. Soil conservation and tree caring activity was conducted. It was a great opportunity for students to understand various rural social issues and raise awareness among the people of the village.

AZADI KA AMRUT MAHOTSAV SWACHH BHARAT ABHIYAAN
Date :- 30th November 2021

National Service Scheme (NSS), KJCOEMR in coordination with Kondhwa-Yevalwwadi regional office, Pune Corporation & Rajput Samaj Seva Vikas Manch has organised Swachhata Bharat Abhiyaan under “Azadi Ka Amrut Mahotsav_Swachh Bharat Abhiyaan” on 30th November 2021 at college campus and Bopdev Ghat which is just adjacent to the campus.

Citizens walking in Bopadev Ghat made the area unsanitary. So there was a lot of dirt and garbage on both sides of the road.

All the students of Rashtriya Seva Yojana, KJCOEMR, employees of Pune Municipal Corporation as well as activists of Rajput Social Service Forum collected garbage under this campaign. The garbage was taken away from the garbage truck of the Pune Corporation.

NSS volunteers of K J College of Engineering and Management Research have actively participated in this activity.
