## 2.6 Student Performance and Learning Outcomes

2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

The institute has clearly stated learning outcomes in terms of Program Educational Outcomes (PEOs) for each program which are achieved through Course Outcomes (COs) in individual departments.

Sample PEO (E.g. Electrical Engineering):

Train electrical engineering students to

- To design, model, analyze and improve performance of the power systems using modern tools and technologies.

Sample CO (E.g. PSOC):

At the end of the course, student will be able to

- Define the dynamics of power system giving emphasis on stability study, various methods to analyze and improve stability of system
