

YEARLY STATUS REPORT - 2022-2023

Part A	
Data of the Institution	
1.Name of the Institution	KJ COLLEGE OF ENGINEERING AND MANAGEMENT RESEARCH
• Name of the Head of the institution	Dr.Suhas Shashikant Khot
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	08446021199
• Mobile No:	9881196166
• Registered e-mail	principalkjcoemr@gmail.com
• Alternate e-mail	principal.kjcoemr@kjei.edu.in
• Address	Sr.No. 25 & 27, Kondhwa Saswad road, Near Bopdev Ghat , Pune 411048
• City/Town	Pune
• State/UT	Maharashtra
• Pin Code	411048
2.Institutional status	
• Affiliated / Constitution Colleges	Affiliated
• Type of Institution	Co-education
• Location	Urban

• Financial Status	Self-financing																		
• Name of the Affiliating University	Savitribai Phule Pune University																		
• Name of the IQAC Coordinator	Dr.Sanjay Suryakant Khonde																		
• Phone No.	08446021199																		
• Alternate phone No.	9552500410																		
• Mobile	9552500410																		
• IQAC e-mail address	iqaccoordinator.kjcoemr@kjei.edu.in																		
• Alternate e-mail address	sanjaykhonde71@gmail.com																		
3.Website address (Web link of the AQAR (Previous Academic Year)	https://www.kjei.edu.in/kjcoemr/Docs/NAAC/21-22.pdf																		
4.Whether Academic Calendar prepared during the year?	Yes																		
• if yes, whether it is uploaded in the Institutional website Web link:	https://www.kjei.edu.in/kjcoemr/Docs/NAAC/AC2022-23%20sem%20II.pdf																		
5.Accreditation Details																			
<table border="1"> <thead> <tr> <th>Cycle</th> <th>Grade</th> <th>CGPA</th> <th>Year of Accreditation</th> <th>Validity from</th> <th>Validity to</th> </tr> </thead> <tbody> <tr> <td>Cycle 1</td> <td>B+</td> <td>2.55</td> <td>2017</td> <td>27/11/2017</td> <td>26/11/2022</td> </tr> <tr> <td>Cycle 2</td> <td>B++</td> <td>2.79</td> <td>2023</td> <td>10/06/2023</td> <td>09/06/2028</td> </tr> </tbody> </table>	Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to	Cycle 1	B+	2.55	2017	27/11/2017	26/11/2022	Cycle 2	B++	2.79	2023	10/06/2023	09/06/2028	
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to														
Cycle 1	B+	2.55	2017	27/11/2017	26/11/2022														
Cycle 2	B++	2.79	2023	10/06/2023	09/06/2028														
6.Date of Establishment of IQAC	01/07/2017																		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,																			

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Institutional 1	NSS	Savitribai Phule Pune University	2022-23	69000
Institutional 1	Earn & Learn Scheme	Savitribai Phule Pune University	2022-23	83115
Institutional 1	Examination	CETCEL, MPSC, NAVY, Maharashtra Police	2022-23	1491524

8. Whether composition of IQAC as per latest NAAC guidelines	Yes
<ul style="list-style-type: none"> • Upload latest notification of formation of IQAC 	View File
9.No. of IQAC meetings held during the year	03
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes
<ul style="list-style-type: none"> • If No, please upload the minutes of the meeting(s) and Action Taken Report 	View File
10. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No
<ul style="list-style-type: none"> • If yes, mention the amount 	
11. Significant contributions made by IQAC during the current year (maximum five bullets)	
Motivating faculties and the students for research.	
Preparation of Incentive policy for carrying out the research work for faculties and students	

Implementation of ICT tools (Smart board) in teaching & learning methods in all departments

Conducting aptitude and skill development training for final year students of all departments

Implementation of projects and participating in Innovations Competitions through Innovation lab of the Institute

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
Development of Innovation and Incubation lab in the college with the help of SPPU	Students participated in the innovations competitions and received prizes
Residential facility for boys and girls	Boys and girls hostel with capacity of 1000 students is running successfully in the campus
Digital Library to be strengthened	Digital library with multimedia facility , ebooks, NPTEL facility , e journal of various branches, IEEE research papers , K-NIMBUS, DELNET is being incorporated
Skill Development programs for students	MoUs with Eduskill and IIT Kanpur done to increase holistic development of the students
Indoor sports facility for the students	Indoor sports facility provided by the institute with all necessary accessories . The students can now play indoor games like ttable tennis, chess, carrom

13. Whether the AQAR was placed before statutory body?

No

- Name of the statutory body

Name	Date of meeting(s)
Nil	Nil

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2021-22	16/01/2023

15. Multidisciplinary / interdisciplinary

The institute's vision and mission is to promote the overall development of both teachers and students. In order to fulfill the institution's vision, the mission statement explicitly concentrates on the needs of society, emphasising the adoption of a distinct and unique value system, an open workplace culture, extremely good academic and physical conditions, and an environment that is suitable for learning and creativity. First-year engineering students must take the fundamental Engineering sciences, such as physics, chemistry, and mathematics, whereas civil engineering students must adopt geology. The curriculum by University, offers a credit system based on student choice in order to foster their overall academic development. The curriculum at present haven't included multidisciplinary flexible curriculum that enable multiple entry and exit at the end. The open elective subjects, audit courses, and honours courses are available to students. In addition to academics, proper steps are taken to establish an interdisciplinary or multidisciplinary research culture in teachers and students. They are urged to join teams made up of individuals from various academic fields as they take part in a variety of technical competitions. To engage in more multidisciplinary research endeavors to find solutions to society's most pressing issues and challenges, the Institution has established an Innovation and Incubation cell. The students are motivated and supported to carry out multidisciplinary start up based projects such as water conservation and reuse for sustainable food development using hydroponic systems. The civil engineering students along with the pharmacy department have established the aquaponic systems for water purification and reuse, fish culture and edible crop production using planted bio filter techniques for agricultural purpose. Few projects such as sustainable energy concepts of electricity generation from organic waste material and from used battery cells were completed at preliminary and laboratory scale level. Recent trends in research such as biofuel generation projects using plastic wastes and biodegradable wastes are under development.

16.Academic bank of credits (ABC):

Academic Bank of credits means academic service mechanism online or in virtual mode established by University Grants Commission to facilitate the students .The institution promotes and makes sure that students choose to participate in online courses through national programmes like SWAYAM and NPTEL. In our institute, we are currently registered and in practice of ABC

17.Skill development:

The institute offers Student Training Program (STP) in the form of soft, communication, technical, fundamental, and aptitude training, research methodology, and technical report writing during third year of engineering as a stage toward self - confidence and selflearning that aids students in further improving their core skills. In the fourth year, the Institute is planning to implement the value-added courses on the recent technology advancements and major engineering disciplines to be taught by industry professionals to help students expand their skill sets in accordance with market demands.The Institute has carried out various activities through NSS in the neighborhood communities and the students participated, successfully completed the activities.For providing students, the opportunities of higher studies in abroad at various universities across the world, the Institution is taking initiatives by trying to make MOU's with the relative service providers which will provide the same free of cost. The institute has made memorandum of understandingwith ZENSAR to provide aptitude training of 30 hours, soft skill development programmes, 60 to 90 hours of technical training to develop skill in programming languages like SQL, JAVA, python, AI and ML etc. IT also provides training in cyber security, cloud computing and other recent technological tools. In order to develop awareness of the environmental issues and their effects, such as biodiversity protection and sustainable development in the students, the Institute provides environmental Studies I and II credit courses during the first year of engineering.Elections, democracy, and the constitution are all covered in the course material.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The students participate in intercollegiate FIRODIYA and PURUSHOTTAM Drama competitions and social events like NSS. Through NSS, the Institute has conducted a number of programmes in the surrounding communities, and the students have taken part and successfully carried out the tasks. A few of the events are Swachha Bharat Abhiyan, Street play, NSS special camp, NSS day celebration,

shahid diwas, Marathi bhasha diwas, women's day, tribute to martyrs, Engineer's day, Covid vaccination drive, Mask distribution activity, Covid-19 awareness quiz, mask preparation and distribution, Savitribai Phule jayanti, Swami Vivekananda jayanti and Rajmata Jijau jayanti, Shivjayanti, University level camp participation, Road safety awareness activity, Savitribai Phule smurtidin, NSS special camp for rural development, Dr. A.P.J. Abdul Kalam jayanti etc. Blood donation camps were arranged regularly by the students of K.J. College in the college premises. The activity has been supported by hospitals and NGOs. To sensitize students to social issues, go cycle rally, tree plantation, free health check-up and yoga activities are carried out. The mentalities of students have been stimulated and they were made aware of their responsibilities as members of society courtesy to the NSS special camp for rural development. The students integrated themselves into village life and engaged in social activities to overcome the villagers' ignorance of many social issues. The students mould themselves with the village life and carried out the social activities to bridge the gap between villagers and their unawareness towards many social issues. The programs like Savitribai Phule jayanti, Swami Vivekananda jayanti and Rajmata Jijau jayanti, Shivjayanti etc. are carried out regularly every year to make students aware of the work, devotion and dedication of such great people in overall development of the nation. The college hosts the technical competition GRAVITY as well as the cultural and sports event KJ YOUTH FEST. It serves as the cornerstone of an annual festival of culture and sports. This activity encourages student creativity in areas such as modeling, analysis, planning, interpersonal skills, acting, singing, dancing, playing an instrument, and management.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The Institute is affiliated with Savitribai Phule Pune University. The University develops the curriculum, and the institute adheres to it strictly. The design of the syllabus involves participation and contributions from the faculty of several departments. These teachers provide important input that helps to shape the curriculum. According to the standards and recommendations of statutory regulatory authorities, each course listed under a department's curriculum has Program Educational Objectives (PEOs), Program Outcomes (POs), and Program Specific Outcomes (PSOs). Teachers, students, and other stakeholders are informed about these POs and PSOs through the institute website, student/faculty notice boards, laboratory notice boards, posters in hallways and administrative offices, laboratory manuals, project workbooks, department news bulletins, faculty course files, etc. The faculty defines each

course's course objectives and course results and discusses about it with the students. At the end of the semester, all departments map the course outcomes with POs and PEOs in order to strengthen the teaching-learning process for the upcoming semester. In addition to the already established curriculum, which includes Project Based Learning, Mini Projects, Seminars, Final Year Projects, and Internships, the institute also hosts Technical Design and project Competitions.

20.Distance education/online education:

The institute motivates students to get certification for online and offline courses like NPTEL, Bytxl, IBM Skill Build, JTT Barkley, FUEL, ZENSAR etc. For productive academic teaching, the Institute utilizes online tools like Google Classroom, Microsoft Teams, etc. whenever the online training is required. Through these channels, information is circulated in the form of lecture notes, videos, etc. The institute has made Memorandum of understanding with JTT Barkley, ZENSAR and Bytxl to provide online education in various tools and quiz to develop softskills. The Institute has done MOU with IIT Kanpur Foundation for Advanced Continuing Education & Training (IFACET) for FDP, STTP etc. to be conducted for students and staff. The Institute effectively uses utility of virtual laboratory to strengthen the teaching and learning method.

CURRICULAR ASPECTS		

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The college is affiliated to Savitribai Phule Pune University and as such follows a predetermined syllabus, where our well experienced staffs involved in the curricular planning of SPPU through syllabus setup meetings, Faculty orientation workshops. The college implements the same in innovative way through these established academic structures. The academic planning of the college is streamlined with the academic calendar of the college. Every department plans their co-curricular and extra-curricular activities according to these calendars. The schedule for teaching, examination, vacations, etc. is strictly followed by the college to ensure smooth and efficient functioning teaching and learning processes. The academic process includes the timetables, workloads, and other supporting administrative tasks. These processes are well planned in advance before the start of the semester. The steps are planned throughout the semester as 1) Subject choice 2) Load Distribution 3) Timetable Preparation 4) Subject Preparation 5) Academic Execution 6) Report Compilation and Analysis. The student's attendance is specifically monitored. The students are informed well in advance about the deadline for assignment submissions, dates for class tests and presentations, as well as their final internal assessment marks. A well equipped infrastructure for everyone is provided for an appropriate teaching learning process.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The schedule for teaching, examination, vacations, etc. is strictly followed by the college to ensure smooth and efficient functioning teaching and learning processes. The academic process includes the timetables, workloads, and other supporting administrative tasks. These processes are well planned in advance before the start of the semester. The student's attendance is specifically monitored by the Guardian Faculty Member, Class teacher, Departmental academic

coordinator and respective heads of the department for effective delivery of the course content. For the purpose of conducting Continuous Internal Evaluation, teachers prepare their schedule of teaching, class tests and assignments in accordance with their allotted time table keeping the academic calendar and planned co-curricular activities of the college in mind. The students are informed well in advance about the deadline for assignment submissions, dates for class tests and presentations, as well as their final internal assessment marks. For continuous growth, our teachers regularly update their knowledge through active involvement in Research and Faculty Development Programmes. They are also members of various bodies of the University contributing to curriculum reviews, assessment and evaluation. The college employs technologically enabled and well equipped infrastructure for everyone for an appropriate teaching learning process.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The Institute makes every effort to augment the curriculum through varied activities that address crosscutting concerns regarding a sustainable environment, gender equality, human values, and professional ethics .Professional Ethics: The students are trained to uplift their professional knowledge, making judgments, conducting soft skill programmes, apply their skills through various Training and placement activities and Audit Courses. Internship and Project Based learning , which inculcates Professional Ethics through experimentation, group learning, use of various modern technologies in industry.Gender Equality: The institution has formed a "Grievance Redressal Cell". This cell provides an exclusive platform to women employees and girl students to discuss their grievances. This cell is committed to provide a work environment free from gender violence, sexual harassment, and gender discrimination for students, faculty, and staff. The college organizes various programmes under the NSS so as to sensitize students about gender equality.Human Values: The College has an Anti-Ragging Committee.Ragging, a violation of basic human rights and principles is effectively controlled by this committee. A hostel Committee is formed to educate students and prevent ragging. Institute implemented Earn and Learn scheme as per guidelines of SPPU, where students from economically weaker sections work for college and benefited through this scheme financially. Various programs like Swacha Bharat Abhiyan, Blood Donation Camp, Residential Camp etc. are organized through NSS to inculcate human values in the students.Environment & Sustainability: Apart from the curricular courses various activities are conducted through NSS to create awareness on environmental issues and its sustainability to society.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The academic performance of the students is assessed by the respective GFM and class teacher from time to time. The GFM keeps the record of class test, mock test, prelim test, Online exam, Insem exam, End sem exam of every student allotted to him/her. Along with the attendance and performance in practicals is informed to the students as well as their parents. Based on this record the students are evaluated as advanced learners and slow learners. The teachers have already identified the contents beyond the syllabus for all the subjects which are taught to the advanced learners. The institute arranges various workshops/ seminars on advanced topics for the students. The students are motivated to refer to the online and hard copy of reputed journals for selflearning. Various technical activities are arranged for the students to enhance their knowledge. The students also go through various NPTEL lecture series and they are also motivated for enrolling in the NPTEL certificate courses. The institutes take remedial action for the weak students. The remedial classes are conducted. The mock test and mock unit tests are taken for the weak students. All the weak students are regularly counseled by the GFM.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

KJ College of Engineering, is focusing on student-centric methods such as experiential learning, participative learning, and problem solving methods of the teaching-learning process. The following activities are being conducted by the college to make learning activities more student-centric.

Experiential Learning : The college has well-equipped laboratories to provide experiential learning. Both Laboratory Practice and Case studies are taken in the College as per the Savitribai Phule Pune University defined Syllabi.

Participative Learning : The College involves Participative Learning activities such as Seminars, workshops, Field visits, and Poster Presentations. A group discussion refers to a communicative situation that allows the students to share their knowledge with other students. Seminars and workshops are arranged for the students.

Problem-Solving Methodologies : As part of Problem-Solving Methodologies, College organizes Guest Lectures and assigns Assignments of different Subjects to the students. Guest Lecture is a concept that helps the students in gaining additional knowledge. Many students appreciate the concept of guest lectures as it is an interesting way of learning and interacting with new people at the same time. Such events and lectures help in enhancing the communication skills and many other skills of the students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Quality improvement is achieved by strictly following the academic calendar. The institute has sufficient infrastructure in every department as per AICTE norms. All the Classrooms are equipped with an LCD projector facility. The computing facility within the campus is supported by LAN, high-speed internet connectivity with a Wi-Fi facility. All classrooms are equipped with ICT-enabled facilities in

the institute. All the faculties use the ICT-enabled tools for the effective teaching-learning process. The lectures are recorded and are made available to the students as per the requirement. The internet facility is available in the classroom. If a concept is to be explained to the students, the faculty takes help of the NPTEL lecture series, youtube , websites at that time so that the concept is clear to the student. All the departments have smart boards in the department to teach various concepts to the students .The teachers in the department use all the available ICT tools for effective teaching learning process.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment The institute adheres to all University exam schedules in accordance with SPPU guidelines. At the start of each

academic year, the evaluation policy is established is based on the guidelines prescribed by SPPU, faculty recommendations and viewpoints of Students. The examination marking scheme is available in the syllabus which is displayed on the noticeboard as well in the hard copy available in the departmental library. Students are prepared for the exam based on the exam pattern through practice sessions such as unit tests, mock tests, prelim, assignments, and mock practical sessions. The results of the semester and online examinations are examined. The internal assessment of the student is done on the regular basis and by doing the internal evaluation. The method of internal assessment is very much transparent. The format for the internal assessment mark is displayed on the notice board for the students. The marks are out of 25 or 50 as per the instructions of SPPU. The marks are divided into different categories i.e. Theory attendance, Practical Attendance, Unit test marks, Prelim marks, timely submission of the practical write-up. This distribution of marks is already known to the student's. Thus the mechanism of internal assessment is transparent and robust

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The internal examinations are held as per the guidelines of SPPU. The grievances raised by the students are solved immediately and the mechanism for this is transparent, time-bound, and is very efficient. The mechanism adopted is as follows 1) At the start of the semester the faculty tells the students about various components of assessments. 2) The test scheduled are prepared in advance and are available in the academic calendar. This is communicated to the students in advance. 3) To ensure proper conduct of exam an invigilator is appointed for every hall consisting of 30 students only. The assessment of the paper is done by the subject faculty within three days from the date of the exam. 4) The answer papers are shown to the students for the marks, if any grievance is available it is addressed immediately. 5) If any student is not able to appear for the exam due to any reason, his/her exam is conducted as per rules afterward provided he/she provides the valid document for remaining absent. 6) The grievances of the students with reference to assessment are assessed by the faculty once again in the presence of the student. 7) The Institute follows an open

evaluation system where the student's performance is displayed on the notice board and the same is informed to the parents. 8) For the quality of the projects, the evaluation is done by Project Review Committee along with the project guides.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The curriculum is developed by Savitribai Phule Pune University. It attempts to align the program structure and course contents to the requirements of the Engineering aspirants and the dynamic Engineering industry. The syllabus is revised by the university and has a good representation from the institute. Program Outcomes and Course Outcomes for the program offered by the Institute are well defined, 1)The basic objective is to provide the Engineering industry with a steady stream of competent and trained young men and women with the necessary knowledge, skills, values and attitude to occupy key operational positions. 2)The relative importance of skills and ability development and attitudinal orientation in engineering education has been kept in mind while forming the structure to ensure that the knowledge and skills imparted are as desired globally. 3)Web link:weblink of CO/PO The POsand COs for the program are communicated to teachers and students in the following manner During the Induction Program Vision and Mission of the Institute are communicated to the students along with POs. The faculty members prepare lesson plan keeping in mind POs and COs. The syllabus designed by the university has well defined COs. These are communicated to the teachers in the meeting at thebeginning of the semester

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution and the same are communicated to the students in the formal way of the discussion in the classroom and departmental notice board. After measuring the attainment of POs, PSOs and COs, it has been observed that the passing percentage of the students is increasing progressively. In a similar way, the student's placement is also increasing. We took utmost care of measuring the level of attainment of POs, PSOs, and COs and followed formal as well as informal mechanisms for the measurement of attainment of the outcomes. Even we took feedback from all the stakeholders in this respect and try to take necessary steps accordingly. Subsequently, the College took care of the attainment to measure the POs, PSOs, and COs and implemented the mechanism as follows:- 1) The institute follows the Academic Calendar of our affiliated university. 2) All the subject teachers maintain the Course file every academic year. 3) All the subject teachers prepared Semester-Wise evaluation Reports. Institute considered Feedback from the Stakeholders for the attainment of PO, PSO and CO.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to

social issues, for their holistic development, and impact thereof during the year

Extension activities in neighbourhood community:- Organizing blood donation camp in the college premises carried out regularly by the students of K.J. College. The activity was supported by hospitals and NGOs. The students carried out these activities such as awareness of mask use in rural areas. The necessity of cleanliness for healthy environment was done through "shramdan and Swachha Bharat Abhiyan" activity in nearby villages. Sensitizing students to social issues:- Go cycle rally was an effort to spread the importance of physical fitness in the society. Tree plantation, a regular activity carried out by students in the nearby village. Our lush green campus itself proves the efforts and awareness of our management in this section. The events like yoga day carried out to understand the importance of healthy and stress free living.

Holistic development:- NSS special camp for rural development and the programs like Savitribai Phule jayanti, Swami Vivekananda jayanti and Rajmata Jijau jayanti, Shivjayanti etc. are carried out regularly every year to make students aware of the work, devotion and dedication of such great people. Road safety awareness activity was carried out to make people aware of the risk and probable disasters if the road safety rules and practices overlooked.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The institute has essential infrastructure required for effective Teaching-Learning (T-L) process, co- curricular and extra-curricular activities to fulfil the norms laid by the AICTE, DTE, SPPU. The available facilities are enhanced by addressing the needs of students and faculty members to support T-L and Research and Development activities. Physical infrastructure consists of 31 (UG+ PG) classrooms, 10 tutorial rooms, 51(UG + PG) laboratories, 01 Computer center and 01 seminar hall etc. In addition, the institute has supporting academic and administrative rooms. Classrooms and seminar halls have adequate ventilation and illumination and are equipped with audio-video system, LCD projector, internet connectivity. Each department has well-equipped

laboratories and a departmental library. Institutes also have Medical room, Girls Common room, Boys Common room. For the physically impaired (Divyangjan) students, the institute has ramp, wheel chair, and washroom with necessary facilities. Laboratories are equipped with state-of-the-art facilities. Latest software such as MATLAB, MultiSim Live, Master CAM, etc. Institute has Incubation center-for prototyping, production and marketing for innovative projects at the state of art developed 'Research, Innovation and Incubation center' of the Institute. Workshop consists of different facilities for imparting practical skills in such as milling, fitting, carpentry, welding, drilling, Lathe Machine, Turning Machine etc

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institute has other amenities and facilities like well maintained lawn, play ground for outdoor games, gymnasium, indoor games facility, lift, canteens, mess, ATM and general stores. Uninterrupted electricity supply is ensured in the campus with the help of 500 KVA generators and UPS (70KVA) systems. The institute has effective mechanism for all kind of maintenance and upkeep of the infrastructure, campus facilities and equipment. The institute's housekeeping staff looks after day to day cleanliness, hygiene and maintenance of the premises. Security staff maintains security and safety in the campus. Electrician for repair and maintenance of electrical works is available at the institute. Campus estate manager looks after the repair and maintenance of civil works of the institute. Annual maintenance contracts are executed for the maintenance of UPS, generators and water coolers. Plantation in the campus is been taken care by a gardening agency. Adequate budget is allocated for maintenance, up keeping and for the up-gradation of infrastructural facilities.

4.2 - Library as a Learning Resource**4.2.1 - Library is automated using Integrated Library Management System (ILMS)**

Integrated Library Management System is used to manage different functions of the library. Institute Central Library is using SLIM 21 Library Management software.

The details are as follows

Name of Software -SLIM21

Year of Automation- 2011

Version: -2.9.12

Nature of automation: -fully/ partially- Fully automated with bar code technology.

Latest Version: -4.0.0.

Library Management software which Consists of a Utilities Modules, Acquisition modules Cataloguing Modules Circulation Modules and Serial Modules. Online Public Access Catalogue (OPAC) IS Available for searching Books, various search option available are Titles, Author, Publication, Keywords, Accession Number. It provides online information about library collection, availability, status of the books. Barcoding: Barcoding has been done for all books. This software is purchased from Algorhythms consultants Pune, they provide online and offline support for software problems, proper backup, and maintenance of software during the annual maintenance contract period.

The Central Library is also a subscribed e-resources IEEE, DELNET, KNIMBUS. Subscriptions of e-resources are renewed annually. DELNET (Developing Library Network) a major resource sharing library network in India, which gives access to full text digital library resources like knowledge gainer Portal-Access full text E-Books & E-Journals, E-Articles Language Learning Portal, Vision portal, Manuscripts, rare books and Archival Materials, E-Books, E-Journals. The Institute is a member of the shodhganga thesis repository through Savitribai Phule Pune University also We are having the membership of e-shodhsindhu. Membership of National Digital Library (NDL)

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

In this electronic communication era, internet communication is very important in the teaching learning process. To fulfill the norms of AICTE and University, the institute has very strong IT infrastructure. Our classrooms are equipped with LCD projectors and supported by audio / visual systems. The entire campus is monitored

by CCTV cameras installed at strategic places. The institute has massive network of 531 computers with 200 Mbps fiber optic internet connectivity along with standby 100 Mbps backup link and Wi-Fi facility with public and private connectivity. Centralized firewall "SophosXG" is used for network monitoring, management and internet security. All floors and computer laboratories are connected with 300 Mbps bandwidth. Uninterrupted power supply (UPS) is available in all computer laboratories. Open source and latest software such as ,MatLab,Multisim Live, MasterCAM,etc. are available in laboratories. Institute has licensed MS Officesoftware for conduction of online classes and meetings. Two servers are available for smooth conduction of various activities such as online examinations, webinars, online workshops, virtual lab, etc.Enterprise Resource Planning (ERP) is deployed for effective academic planning, execution, monitoring and analysis. ERP software is used for automation of academic and administrative processes used in the institute, to maintain and analyze the data related to various processes of the institute.Computers with internet connection are made available to all the faculty members at their respective locations.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The institute follows definite system for optimal utilization of physical facilities. Physical facilities include classrooms, tutorial rooms, computer labs, library etc. These all physical facilities are made available for the students & staff. As a teaching learning process, the college allocates the budget for the maintenance of classrooms & labs on yearly basis. All the facilities are optimally utilized by both staff & students .1.Computer- The institute has computers which are used by Director, faculty, office staff, library & students. Computer laboratories are utilized for conducting online exams, desk research, 2.Library- The books in the library are arranged subject wise on the shelf. All collections are continuously updated like books, periodicals, journals and e-journals, student's project report & dissertation reports. Older journals and project reports are stored in the library for reference. 3.Gymkhana & Sports- Gymkhana facilities are shared with Trinity Academy of Engineering &KJ College of Engineering and

Management Research on same campus. This includes well equipped gym & yoga or meditation room. Sports ground is utilized by all the institutes which includes basket-ball court and cricket ground etc .

4. Software: Institute has application software, system software, anti-virus, Tally and library software etc .

5. Furniture and electric equipment: Furniture includes benches, tables, chairs, cupboards, filling cabinets, book racks, etc. The work of maintenance and minor repairs is done whenever required. Electric equipments are maintained & repaired as per requirement. The person employed for furniture repair is common in campus

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The institute aims for versatile development of students. The institution aim is to promote collective and constructive leadership within student community. Institute has student council to develop leadership qualities and sense of responsibility among the students. . Such an engagement facilitates overall grooming and the institute encourages all these co-curricular activities and actively supports them. Cells such as Internal Quality Assurance Cell, Placement Cell facilitate student development under the mentorship of the respective faculty in charges.

1)Anti-ragging committee:- Representative students help in creating awareness through various antiragging activities; students convey the message through skits, posters etc. 2)Grievance Redressal Committee :- Grievances related to academics, examination, documents, identity cards and library etc. are conveyed to the concerned authority and pursues till it gets redressed. 3) Internal Complaint committee: - This committee is formed especially to monitor problems related to female. Issues, if any related to harassment or grievance is handled by this committee. 4) Sports and Cultural Committee: - Students plan and execute the sports and cultural activities. It helps them in developing leadership skills, team work, conflict management etc. 5) Women's Grievance Committee: - This committee is constituted to promote healthy working environment for all female staff, students and faculty.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The alumni association of the institute was registered in the Academic Year 2016-17 (Reg.No. Mah / 1150 / 2016 / Pune).

The institute is well aware that the alumni are current and future leaders, influencers and change makers. The Alumni Association contributes in many ways for the development and betterment of our institute. We conduct Alumni meets for the engagement of alumni wherein they can participate and share their experiences, success with the current students and teachers. Also we prepare success stories of our pride alumni and circulate them in social medias so that current students will get motivated. Also we have conducted the Alumni Webinar Series on different topics in which our alumni guide current students. Our Alumni also help in campus placement. It's our aim to develop everlasting relations with our alumni which in turn gives rise to mutual benefits.

Various activities are conducted by every department like seminars, Guest Lectures , Invited talk by the alumni. Various Industrial visits are held in Alumni COmpanies for the benefit of the students .

The contribution by the alumni develops the institution and the association provides the institution the support services .

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institute has consistently promoted the decentralization process by following the committee system to implement all its decisions and resolutions. The committees comprise of faculty members and students. GB and CDC have representation from faculty and other stakeholders. The governing body (GB) is supreme and is responsible for articulating the organization Vision and Mission and major policy decisions. The GB has been formed as per AICTE norms involving all stake holders. CDC has representation of all HoDs, faculty members, supporting staff and students representative. It regularly reviews and monitors the overall development of the institute. It meets three times a year. The review is conducted on Academics, Financial Planning, Utilization and Administration. . Internal Quality Assurance Cell (IQAC) has been formed as per NAAC guidelines. It has representation from all staff. It gives guidelines about the overall audit of the Institute, particularly on academic front. All portfolios have defined roles and responsibilities and overall progress is monitored by the principal through meetings with the relevant committees. On the same lines in all departments, portfolios have been formed and are functioning.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance Appraisal System: For teaching and non-teaching staff, the institute has built an effective performance review system. The faculty appraisal method is open and transparent, and it gives clear guidance for achieving professional, organizational, and personal goals. After each academic year, the staff must submit a "Self-appraisal form," which is then assessed by the Principal. . Staff

members submit a "Self appraisal form" to the Principal at the end of each academic year. The 'Self-appraisal form' is then certified by the Principal and submitted to IQAC. IQAC reviews the same and gives recommendations/improvements to be followed by staff. The strengths and weaknesses of staff are counselled by Principal / IQAC. The various parameters for staff members are performance; technical and non-technical skills acquired, Research work, and successful completion of the assigned responsibilities. Outcome: - The best part of the Performance Appraisal System is 1) Best qualities of staff are explored. 2) Motivation for upgradation. 3) Making the system stronger.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institute receives funds mainly from student fees and government and non-government scholarships and free ships, Alumni fees etc. Any shortfall/deficit is managed by taking assistance from the KJEI trust office. The annual financial budget for different activity sectors is approved by Governing Body suggested by the Principal. The budget plan is prepared on the basis of 1) Estimated cash inflow from student fees, governmental and nongovernmental scholarships and free ship, and Funding from Savitribai Phule Pune University (like Exams, grants etc.) Alumni fees, interest from banks and other financial resources. 2) Estimated outflow is based on pre-planned activities, maintenance, administration & office expenses, a new purchase, loan repayment, etc. 3) Any shortfall/deficit is managed by taking assistance from the trust office. The cash inflow/outflow on the basis of student intake, faculty requirement, lab and library equipment need, maintenance, administrative and infrastructural needs are maintained by the Accountant and monitored by the Director. All financial transactions are recorded on Tally software. Financial progress and updates are regularly communicated to Director and Management. Deficit due to inflow and outflow if any is monitored by CDC and GB to examine the possibility of increasing cash inflow and reducing outflow by balancing some demands and needs

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institute receives funds mainly from student fees and government and non-government scholarships and freeships, Alumni fees etc. Any shortfall/deficit is managed by taking assistance from the KJEI trust office. The institute conducts internal and external audit to ensure proper utilisation of financial resources. The annual financial budget for different activity sectors is approved by Governing Body suggested through Principal. The cash inflow/outflow on the basis of student intake, faculty requirement, lab and library equipment need, maintenance, administrative and infrastructural need is maintained by Accountant, monitored by Director. All financial transactions are recorded on Tally software. Financial progress and updates are regularly communicated to Director and Management. Deficit due to inflow and outflow if any is monitored by CDC and GB to examine possibility of increasing cash inflow and reducing outflow by balancing some demands and needs. Events/Activity: The institute prepares budget for event under authentication from Director. The budget is forwarded to Management for sectioning and final approval through account section. The sanctioned amount is utilised for event expenses. After conclusion of event, the

expenditure file is submitted to account section with bills. Purchase: For any major & minor purchase requirements, the Institution Head initiates purchase requisition to management along with different quotations. The Management in consultation with store department finalizes one of the quotations based on comparative measures of price, quality & feasibility. The purchase procedure is then carried out with reference to technical bid, comparative statements, negotiation meetings.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The institute's Quality Policy is aimed at achieving the excellence in Engineering Education, by acquiring independent control over its day-to-day operations and curriculum status to the institute with recognition at State level IQAC Policy: We provide quality education to the students using modern methods of teaching and learning and continuous improvement in teaching and learning process. IQAC Objectives: 1. Development of faculties through FDPs. 2. Optimization and integration of modern methods of teaching and learning. 3. Progression of academic policies. 4. Up gradation of Concurrent evaluation. 5. Collecting feedback from students (At the end of semester). 6. Augmentation in infrastructure to enhance learning environment IQAC Contribution: 1) High level of clarity and focus in institutional functioning towards quality enhancement and facilitate internalization of the quality culture as per guidelines by NAAC for Quality and Excellence in Higher Education 2) Integral approach towards quality development through various activities which helps in academic enhancement 3) Act as a change catalyst in the institution 4) Better internal communication. 5) Collaborations with various industries/organizations. 6) Organization of events/workshop. Implementation of Academic calendar prepared by Academic coordinator. 7) Finalization for panel of eminent visiting professor for addition input as per need. 8) Remedial classes for slow learners.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Since faculty are the honorable members of the IQAC, each and every decision taken by the IQAC is communicated in regular meetings. So, each faculty is involved indirectly in functioning of IQAC. As our institution is functioning towards the enhancement of quality of education, it has an integrated framework for Quality assurance of the academic and administrative activities. To impart quality education, all faculties maintain a course file. The course file content includes syllabus, teaching plan, academic calendar, time table, study material, assignments, question bank, university question papers. Feedback from Stake holders such as Industry, Parents, Alumni, and Students is taken regularly. Our major recruiters convey the gaps present in today's educational system and modern management practices in the industries to the TPO. Those gaps are conveyed by TPO to IQAC. Institution provides training to its staff by arranging various FDP's and training programs. To enhance & sustain the quality of education, institution has very systematic mechanism to continuously review the teaching learning process. Periodical meetings conducted by the Principal help in review of the working of the Institute. The enrichment and development of Teaching learning process is carried out by Academic Committee in association with IQAC. Remedial-Classes:, Lab Sessions: Add on and Certification Courses:, Career-Guidance:, are facilitated by the institute. After every academic year, staff fills an appraisal form with Principal remark; this appraisal form is submitted to IQAC. Depending upon this, IQAC welcome the efforts taken by staff and give suggestion wherever necessary.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender equity is the process of being fair to women and men which is a solution for addressing imbalanced social systems. Institute provides equal opportunity to male and female staff/students in all activities and processes which includes administration, teaching, cocurricular, extracurricular, committees, etc. Various committees like Women’s Grievance Committee, Internal Complaint Committee, Grievance Redressal Committee, and Anti-Sexual Harassment Committee were formed for the female student and staff to prohibit unfair and biased things with them on the basis of gender. In those committees, adequate representation is given to women. Anti Ragging Committee and 24 X 7 security with CCTV surveillance make campus harassment free. The college has a separate common room for girls and boys. Slogans are displayed in the college to create awareness about gender equity.

Institute organizes seven day camp in village area under National Service Scheme (NSS), in which female and male students attend the camp and participate in various activities. Under the NSS various programmes are arranged to sensitize students about gender equity

like "One day workshop on Gender Sensitization".

Cultural as well as technical competitions conducted to enhance the abilities of the participants in which both male and female students participate actively. K J Kalatmak Art Circle organized various plays like "Shirasta", "Lagin Ghai An Barach Kahi" to raise awareness in society towards gender biasness.

Our Institute organizes national and international commemorative days. Also celebrates festivals and the birth anniversaries of great Indian personalities

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The policy is drafted as a guidance document to the faculty, staff and students to behave responsibly in the production of waste, waste segregation, storage, handling and disposal. Dry waste and wet waste are collected separately through colour coded dustbins and deposited into the garbage vehicle (garbage van of Pune Municipal Corporation)

for further recycling procedure. Institute has a compost pit where all tree leaves and organic waste dumps for composting process. Compost is decomposed organic material, such as leaves, grass clippings ,etc. The college campus generates tons of sewage every day. Some of this waste, specially from the chemistry labs. Removal of chemical and biological contaminants from these wastes is done with the help of Sewage Treatment Plants (STP). The institute has a Sewage Treatment Plant (STP), a capacity of 450 KLD (Kilo litres per day) and a proper drainage facility. Used electronics which are marked for reuse, resale, salvage, recycling/disposal are also considered e-waste. Such waste is collected at a separate point. E-waste items need to collectively disposed with authorized agency. K J College of Engineering and Management Research has also drawn a MoU with "Silver Steel and Scarp" to ensure reuse, recycle/disposal of this E waste in an appropriate way

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

An inclusive environment plays a vital role in promoting tolerance and harmony as a responsible citizen. Institute takes the following initiatives for harmony, cooperation, core values with dignity, diversity, and inclusiveness. Cultural : Students participated in Firodiya Karndak and performed drama "Shirsta". Initiatives through NSS: 7-day NSS Special Camp is organized for the students to serve on various social issues in different villages with the aim of communal upliftment and understanding the lives of people in that region. It helps in inculcating a sense of social responsibility among the students. Our Institution donated necessary materials like face masks, oxy - meters and sanitizers, etc. to Pune Police and needy people in nearby villages during Covid-19. Other Initiatives: KJCOEMR faculty members were sent for Oxygen Audit in Hospitals under Pune District at Bhor Taluka. Slogans, messages, and the Preamble of Indian Constitution displayed in college attract attention and also influence our thoughts or actions. Playing the National Anthem (reflects the history, traditions, and composite culture of India) and prayer (inspires to improve human values and professional ethics) daily in the morning. Linguistic: The library maintains a good collection of books published in various languages. Socio-economic: Many students benefitted from KJEI Scholarship and other non government agencies with the help of institute. Institute follows the admission process as per reservations for seats allotted by the government. The NSS team distribute groceries to poor and socially deprived villagers during pandemic

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Universal Human Values & Ethics: The institute imparts these principles to the students at FE level itself during FE induction program to promote the sensitization of students towards social harmony. Student participates in organizing and demonstrating their roles and responsibilities through the smooth operation of cultural and festival activities. This process strengthens leadership, democracy, and a sense of governance. Research methodology subject taught to postgraduate students to understand the ethics in research and their contribution to society. Activities for Duties and responsibilities of citizens The tree plantation, road safety and traffic rule awareness and performed drama on social issues such initiatives taken by the students. Students are encouraged to active participation in these activities. Through this students are encouraged to Sustainable & safe environment, spreading awareness among citizens on social issues. Preamble of Indian constitution Preamble of Indian Constitution reminds us Constitutional Obligations like values, duties, responsibilities and the concept of democracy. Also inspire us to celebrate the diversities in India. The Preamble of Indian Constitution displayed on the walls of institute. Awareness Creation : Message board of fundamental duties and responsibilities of citizen reminds us Constitutional Obligation. It is displayed in reading hall and entrance porch of KJCOEMR. These are places where staff, students and visitors easily read. Slogan plates and messages boards are displayed on the walls in the institute building. This helps to imbibe the thought of togetherness, communal harmony and unity in diversity also aware us about constitutional obligations like values, rights, duties and responsibilities

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Our Institute organizes national and international commemorative days. Also celebrates festivals and the birth anniversaries of great Indian personalities. Independence Day and Republic day: The Institute celebrates Independence Day on 15th August and Republic day on 26th January of every year with a simple and elegant flag hoisting ceremony. International Women's Day: The Institution celebrates women's day on 8th March by inviting women from diverse fields to encourage and motivate both girl students and women faculty members to become more effective in their professional and personal lives. Chhatrapati Shivaji Maharaj Jayanti: The Great Maratha Emperor Chhatrapati Shivaji Maharaj's birth anniversary is celebrated on 19th February every year. Savitribai Phule

Jayanti:Savitribai Phule is the first woman teacher in India. She was an Indian social reformer and educationist. Institute celebrates Savitribai Phule Jayanti on 3rd January to salute her work. Swami Vivekanand Jayanti:Institute celebrates Swami Vivekanand Jayanti on 12January . Savitribai Phule Smurti Din :NSS KJCOEMR Team has celebrated Smriti Divas of first female teacher of India Savitribai Phule on 10th March 2022. Shirsta : Students performed drama Shirsta on 10th March. Our staff and students also celebrate Diwali ,Dussehra in our campus. Khande Namvi pooja is done in each department and in the college library to preserve our cultural tradition.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1Title: Student Training Program This program is to enhance the quality of the students by empowering them with skills that are needed globally. Objectives of the Practice: To enhance employability skills. To prepare students for higher education in India and abroad. The Context:Student training program bridge the gap between institute and companies. Evidence of Success:The final year placement of students, which shows a improvement. The Practice:Specialized reputed agencies are invited by institute like Barclays,byteXL India Pvt.Ltd., Zensar,iTpreneur ,VOIS to give aptitude and soft skill training. Problem Encountered and Resource Required: Few students from Civil and Mechanical Engineering show less enthusiasm.We can take help of an external agencies and audio-visual aids to increse interest. **Best Practice 2** Title: Social Outreach Activities In India, we can see many diversities , which are also permeated with immense urban-rural differences and gender distinctions. Objective of practice To raise awareness of social issues among students for comprehensive and sustainable development. To increase the sensitivity of students and staff to social values and ethics. Context:Students should know how to understand other people's problems and how to work for social betterment of society.

The Practice The Institute conduct following outreach activities. Covid 19 vaccination camp, Swach Bharat Abhiyan, road safety activities, 7 days NSS special camp. "Shirsta" drama in Firodiya karandak. Evidence of Success : Appreciation letters were received from the Gram Panchayat. Problem Encountered and Resource Required Some students were not able to participate in activities due to lectures and practicals.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The infrastructure of any educational institute plays an important role in the holistic development of students. In today's competitive world along with study, other co-curricular and extracurricular activities are essential. A. EVERGREEN & POLLUTION FREE CAMPUS Pune city is famous for a number of two wheelers, Automobile Industries, IT Industry, small scale industries, educational institutes, etc. Some of them play a major role in creating air and noise pollution. KJCOEMR institute is surrounded by hills, a variety of trees are available here and restricted entry for vehicles makes this campus free from air and noise pollution. Some key features of the lush green and pollution free KJCOEMR campus: Productive learning environment: Better indoor air quality: Better Acoustic: Healthy life: other features Planting trees in campus provide helps to create a fresh environment, looks sooth beautiful appearance, purifies the air, and reduces stress. B. HUGE CAMPUS WITH DISTINCT AMENITIES College life is a wonderful phase of life. Students look for the campus having ample space with multiple amenities to hang out inside. It is having features like multiple canteens, other indoor/outdoor sports facilities. Space for Horseback Riding Olympic-size Swimming Pool Other Sports Facilities Multiple canteen facilities and cafeterias in the campus: One campus many institutes Gathering Place Other Ancillary Facilities Space for future development C. ADVANCED LABORATORIES Engineering involves lots of experimenting. Advanced labs provide various opportunities to learn and experiment to the students. Computerized Universal Testing Machine Steam Power Plant

7.3.2 - Plan of action for the next academic year

The institute is having following action plan for the next academic year

1. Curricular Aspects : 1. More program-specific value-added courses should be implemented. 2. Identify a larger number of industry partners who can help bridge the gap between industry and existing curriculum, providing platform for students to participate in internships and placements. 2.. Teaching Learning Evaluation : 1. The number of smart classrooms should be increased. 2.Increase the quantity of E-resources and teaching strategies used in the learning process. 3. Improve the system for achieving the program, programspecific, and course outcomes. 3. Research , Innovation and Extension : 1. Institutional policies for research should be strengthened. 2. Locate the sectors and organisations that sponsor research. 3.Increased research support activity 4) Infrastructure and learning resources 1) Physical facilities improvements on campus 2) Financial support for the library as a resource ande-contents . 5.Student Support and progression 1) Creation of a student-friendly and student-owned campus. 2) Boost the T&P department and increase the number of placements at the institute. 3) Increase the number of pupils participating in extracurricular sports and cultural activities. 4).Alumni involvement in the development of the institute6.Governance Leadership and Management:Develop a training programme for administrative employees as well as a skill development programme for non-teaching staff. Conducting frequent Administrative and Academic Audits (AAA).Development and implementation of a strategy plan 7.Institutional Values and Best Practices :Institute will introducenew Best practices for the better improvement of students.
