Summary of Alumni Feedback and Action Taken

Alumni Feedback points:

1. Create a platform for Alumni to share placement activities and connect to all students of KJCOEMR
2. For increasing placement of the student Guest lecturers/training program should be arranged for student on soft skills.
3. Guest lecturers / training program should be conducted to improve communication skill and English speaking skill of the students.
4. Students should be encouraged to learn more software related to industrial requirement
5. Motivate students for Regular Self-study and enhancing technical skills.

Action Taken:

1. Training and placement officer and Head of the department are planning training program for the student.
2. HOD and Faculty members from department are going to suggest tools and techniques to student to improve communication.
3. More alumni engagement Program are decided for student development and Students should be encouraged to learn more software related to industrial requirement.
