---

**About ETESA!**

Electronics and Telecommunication Engineering Students Association which is a student organization formed by students of the Electronics and Telecommunication Engineering department at a KJCOEMR, Pune. It is primarily aimed at providing a platform for students to explore their skills and knowledge in the field through various technical activities and events, often including project competitions, alumni interactions, and celebrating relevant engineering days.

**OBJECTIVES:**

1. To promote student engagement and development within the field through extracurricular activities.
2. Facilitate opportunities for professional growth and skill enhancement.
3. Foster a supportive community that encourages networking and collaboration among students.
4. Promote industry interaction and real-world applications of the field.
5. Advocate for student interests and ensure representation within the department.
6. Organize extracurricular activities that complement and enrich academic learning.

**Roles and Responsibilities of the club:**

1. Establish study groups, tutoring sessions, and peer mentoring programs to strengthen academic support.
2. Organize workshops, seminars, and guest lectures to promote professional development.
3. Coordinate social events, networking sessions, and informal gatherings to cultivate a sense of community among students.
4. Partner with industry professionals to arrange guest talks, site visits, and internship opportunities.
5. Plan extracurricular activities such as technical competitions and project showcases to complement academic learning.

**Student leadership:**

A committee of the following members is constituted as the Student Association(ETESA) of the Electronics & Telecommunication Engineering department for Academic Year 2024-2025, effective from 1/07/2024. This committee will motivate students to use their thoughts and generate new ideas for events, and club activities.
