

KJ College of Engineering & Management Research

A Newsletter of Engineering Science Department

INTRODUCTION

The February issue of Newsletter of Engineering Science Dept is the First issue of the year 2025 .It features a number of events, activities, and accomplishments racked up by our students and faculty in the month of February 2025.

We are thankful to our founder President Hon. Shri Kalyan Jadhav Sir, Management and Principal Dr. Suhas Khot for their continuous support and firm belief in us.

Celebration of National Science Day on 28th February 2025

The National Science Day celebration at KJCOEMR was marked by an enlightening lecture on Physics. The event, held on 28/02/2025 aimed to promote scientific awareness and encourage students to engage in scientific pursuits. The lecture was delivered by Dr. C. M. Mahajan, a distinguished physicist and academician, and attracted an audience comprising students from various branches of Engineering.

The lecture successfully enriched the audience’s understanding of physics and its indispensable role in our lives. It not only inspired students to delve deeper into scientific inquiry but also reinforced the importance of physics in shaping the future of technology and innovation. The event concluded with a vote of thanks, acknowledging the speaker, organizers, and participants for their enthusiastic involvement.

**RESEARCH UPDATES(PATENT,CONFERENCES ,FDPS, JOURNAL PAPERS
PUBLISHED,AWARDS etc)**

Prof. A. D. Jadhav has attended the online conference on “Recent Trends in Mathematics” held by Punyashlok Ahilyadevi Holkar Solapur University, Solapur.
