INTRODUCTION

The March issue of KJ College of Engineering and Management Research DARPAN "our true reflections " is the Third issue of the year 2025 .It features a number of events, activities, and accomplishments racked up by our students and faculty in the month of March 2025.

We are thankful to our founder President Hon. Shri Kalyan Jadhav Sir and Management for their firm belief in us.

We sincerely hope that our readers will find "DARPAN " to be both useful and informative in its mission to inform them about the Institute.

EVENTS

International Womens Day celebration and Workshop on “self defence and financial empowerment for Women “ on occasion of Womens Day

KJCOEMR Celebrated “ International Women's Day” on 7th March 2025 . The day also recognises the achievements of women who have made significant contributions to society despite various challenges..

Faculty members along with girl students were in attendance to honor and celebrate the achievements.

A workshop on self Defence and financial empowerment for Women was conducted on the occasion of Womens day on 10/3/2025 . It encourages people to break stereotypes and support women's leadership in every sphere.

Workshop On DELNET (Developing Library Network)

DELNET (Developing Library Network)-The Major digital Library Resource in South Asia .

A workshop on “ Orientation on DELNET Resources and services “ was organised in collaboration with KJ College of Engineering and Management Research Pune on March 21, 2025.

Rohidas Bhimrao Rathod , Senior Network Assistant , DELNET gave the information to all the teaching and non Teaching faculties of KJCOEMR .

DELNET-Developing Library Network, New Delhi is a major resource sharing library Network in India connecting more than 9000 institutions in 28 States and 8 Union Territories in India and few other countries comprising of Universities, Colleges, R&D organisations, medical hospitals, etc.

“DELNET has received the prestigious IIPA Award for Excellence in Public Services. The main objectives of DELNET is to promote resource sharing among the Member-Libraries by collecting, storing and disseminating information and by offering networked library services to users. Also to undertake research in the area of information science and technology, offer technical guidance to Member-Libraries. DELNET is a great boon for faculty, researchers, scholars, students, etc. of Member-Institutions.

EVENTS

First Prize at Hackathon

Zensar Sponsored -SheInspires Hackathon -was Conducted at MIT ADT University , Loni Kalbhor, on 21st march 2025

Sargam Puram of Computer Science Engineering Department, KJCOEMR won the FIRST prize among 1500+ members

Principal , Dr. Suhas Khot Congratulated her and Computer Science Department on this achievement .

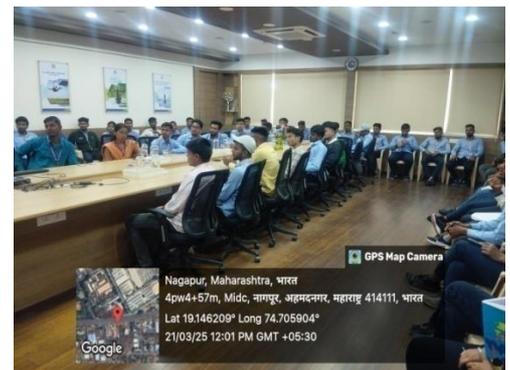

Industrial Visit to Crompton Greaves

An Industrial Visit was arranged for Second Year students of Electrical Engineering on 21st March 2025 at Crompton Greaves Pvt. Ltd.

The participants had a practical understanding of the design, production, and testing of 3-phase induction motors. The visit was supervised by industry experts and permitted by the Unit Head Mr. Gautam Suvarna Patki and Unit HR Mr. Nitinkumar Wattamwar.

Prof. Pooja Shastri and Prof. Devendra Goyar , Faculties KJCOEMR were also present with the students

Guest Lecture

On 14th February 2025, a guest lecture for Third year Students of Electrical Engineering was on the topic of was conducted by Mr. Nachiket Kulkarni, the founder of N Kenin Transformer Ltd, Latur. The session was aimed at enhancing the understanding of 3-phase transformer construction, types, and their applications.

The session highlights the important aspects of transformer design and its application in real-world scenarios, emphasizing the importance of each design consideration to achieve optimal transformer performance.

2 day Faculty Development Program Teaching for Learning and Social & Emotional Development

Department of Electrical engineering, KJCOEMR organized a two-day Faculty Development Program (FDP) titled Teaching for Learning and Social & Emotional Development . The FDP aimed to equip educators with innovative teaching strategies, emotional intelligence, and student engagement techniques to create dynamic and inclusive learning environments.

Conducted by Dr. Praveen Revankar, a distinguished expert in education and pedagogy, the program provided practical tools to improve teaching effectiveness and foster student well-being. The event commenced with a welcome address by Dr. Hemant Deshmukh, Dean – Student Development, KJEI and Maj. Gen. Sameer Kalla, Executive Director, KJEI followed by an introduction to the program objectives.

The FDP was well-received by the participants, who appreciated the interactive nature of the sessions. Faculty members gained valuable insights into student engagement, emotional well-being, and stress management techniques. The program successfully provided actionable strategies for enhancing the overall teaching-learning process at KJ College of Engineering & Management Research.

RESEARCH UPDATES(PATENT, CONFERENCES , FDPs , JOURNAL PAPERS PUBLISHED, Awards etc)

- Dr. Vivek Korde got book Published on Engineering Physics, SPPU , First Year Engineering Syllabus (2024 Pattern)
- Dr. Vivek delivered a lecture on “ How to Publish Research paper in Journal “ to all the teaching faculties .
- Prof. Devendra J Goyar SimuSoft Technologies, Pune, attended the Faculty Development Program (FDP) webinar on "Visual Components Simulation Software" held on 17th March 2025.
- The Centre of Excellence in Artificial Intelligence was rechristened as “Dr. A.P.J Abdul Kalam Centre of Excellence in Artificial Intelligence” by Our Founder President KJEI, Hon. Shri Kalyan Jadhav .
