DARPAN

Our True reflections

(A Newsletter of KJ College of Engineering & Management Research)

INTRODUCTION

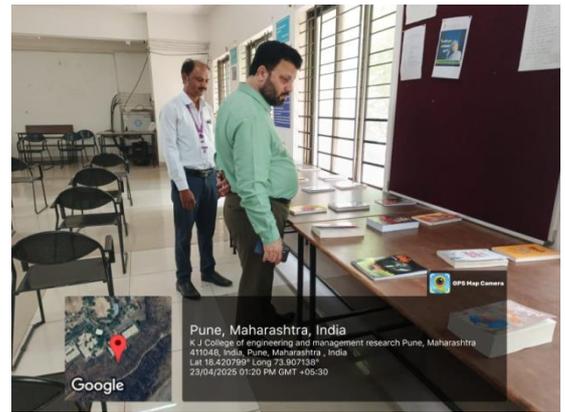

The May issue of KJ College of Engineering and Management Research DARPAN "our true reflections " is the Fifth issue of the year 2025 .It features a number of events, activities, and accomplishments racked up by our students and faculty in the month of May2025.

We are thankful to our founder President Hon. Shri Kalyan Jadhav Sir and Management for their firm belief in us.

We sincerely hope that our readers will find "DARPAN " to be both useful and informative in its mission to inform them about the Institute.

World Book Day celebration

This year KJCOEMR enthusiastically took part in World Book Day with a series of engaging and educational activities designed to foster a love of reading among students and participants. The theme for this year was "**Read Your Way**", encouraging readers to explore books that speak to their interests and identities. The event was a resounding success. Teachers reported increased student enthusiasm for reading.

Many students expressed interest in visiting the library more often. Parents and guardians also appreciated the event, noting that their children were more motivated to read at home. It was not just a celebration of literature but a reminder of the power of stories to inspire, educate, and connect us. KJCOEMR looks forward to continuing to nurture a culture of reading throughout the year and beyond.

Visit to Special Children's Hostel at Aadhar Orphanage by our Principal , Dr. Suhas Khot

Dr. Suhas Khot , Principal KJCOEMR , isited the special children's Hostel at Aadhar Orphanage. Sir met around 65 special childrens including girls, adults here and had chat with them.

Sir played games with them. He found them very innocent and pure-hearted!! . He Felt very satisfied by giving them one meal. His felt very happy after doing this activity .

Sir, remembered and recalled the quote of Maya Angelou, "Among its other benefits, charity liberates the soul of the Giver "Your generosity inspires us.

The orphanage was well-maintained and the staff were dedicated to the welfare of the children. The children appeared enthusiastic and welcomed warmly. It was observed that they are in need of regular interaction, educational support, and creative opportunities.

The visit was a heartwarming and enriching experience. It not only brought smiles to the faces of the children but also gave Principal Sir a sense of purpose and awareness about social responsibilities

The visit to the orphanage was both memorable and impactful. It served as a reminder of the importance of empathy, kindness, and active involvement in community welfare. KJCOEMR will strive to continue such initiatives regularly.
