I would like to mention that DELNET provides access to more than 3.8 crore catalogue records of books, journals, articles, etc. through Discovery Portal and also more than one crore and fifty lakh full-text e-books, e-journals & e-articles through Knowledge Gainer Portal. We are pleased to inform you that DELNET has also recently launched ViSiOn Portal which contains Video Recordings of Lectures on varied subjects. We request you to kindly contribute the video lectures of the Faculty Members of your Institution. Kindly contact us for further assistance. DELNET also provides Delplus software free of charge for library automation purpose. DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis. Also, we are pleased to inform you that DELNET has developed DELDRESS Portal exclusively for Schools, which is of great relevance to the School students, teachers and administrators.

We would also like to mention that DELNET offers DrillBit software for plagiarism detection for an annual subscription of Rs 48,000 (inclusive of GST) for 300 documents checking.

I would also like to inform you that DELNET shall be glad to organise a one hour webinar on DELNET Networked Resources and Services at a mutually convenient date and time for the students, faculty, researchers and scholars of "K. J. College of Engineering & Management Research, Pune, Maharashtra". It will help in the effective utilisation of DELNET resources and services.

I am enclosing a poster on DELNET and a Certificate of Membership. Please kindly let us know if you wish to get any books on ILL or the journal articles.

With kind regards,

Yours sincerely,

Sangeeta Kaul

Dear Prashant Renushe,

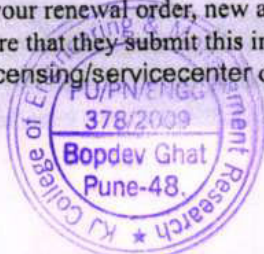

Thank you for choosing Open Value Subscription Education Solutions. We hope your Microsoft software has helped your organization make the most of your technology investments.

The purpose of this letter is to inform you that your Open Value Subscription Education Solutions Agreement number V2058920 will expire in 60 days. Please contact your Microsoft reseller Arya Systems to continue your license rights or benefit from our modernized licensing offers. To help with your record keeping, we ask that you keep all Microsoft notices received during the term of your agreement.

Moving to a modern solution helps you to be more productive and secure, while experiencing an always-updated environment powered by the cloud. Leverage flexible remote capabilities, benefit from intuitive deployment and management tools, support and cost savings.

Should Microsoft not receive your renewal order or new modernized agreement, by the expiration of your agreement, your license rights will expire. If you elect to exercise your buy-out option, please submit an order for the licenses you wish to buy out at least 30 days prior to expiration date 2023-06-30 of your agreement.

If you have already submitted your renewal order, new agreement or buy-out order to your chosen reseller Arya Systems, we advise you to follow up to ensure that they submit this information to us on your behalf. Please refer to your agreement at <https://www.microsoft.com/licensing/servicecenter> or consult your reseller Arya Systems for further information.

The ENSIN Forum, in collaboration with K J College of Engineering & Management Research, Pune, conducted an insightful interactive session on "Entrepreneurship as a Career Opportunity" specifically tailored for engineering students.

Key Speakers:

1. Mr. Sopan Aghav (Director, ENSIN Forum): Mr. Aghav provided valuable insights on taking up entrepreneurship as a career. He discussed numerous case studies of successful entrepreneurs and startups, giving real-life examples that demonstrated the potential and challenges of the entrepreneurial journey. His session emphasized the importance of innovation, resilience, and strategic thinking in building successful ventures.

2. Mr. Sanjay Jagtap (Director, ENSIN Forum): In his keynote address, Mr. Jagtap focused on the development of the entrepreneurship ecosystem to support innovators and aspiring entrepreneurs. He highlighted the significance of creating a supportive environment that nurtures ideas and facilitates the growth of new businesses. Mr. Jagtap also discussed various resources and opportunities available to engineering students to help them kickstart their entrepreneurial ventures.

Session Highlights:

- The interactive session aimed to inspire and motivate engineering students to consider entrepreneurship as a viable and rewarding career path.
- Real-life examples and case studies illustrated the journey of successful entrepreneurs, making the concept of entrepreneurship more relatable and achievable for the students.
- The session emphasized the importance of developing an entrepreneurial mindset, which includes creativity, problem-solving, and risk-taking.
- Discussions also covered the importance of networking, mentorship, and continuous learning in the entrepreneurial journey.

Impact:

The session ignited a spark of curiosity and ambition among the engineering students, encouraging them to think beyond traditional career paths and explore the world of entrepreneurship. The insights and experiences shared by the speakers aimed to equip the students with the knowledge and confidence needed to embark on their entrepreneurial ventures.

- Office Productivity Suite (MS Office, Star Office, Open Office etc.)
- Antivirus (McAfee, Norton Antivirus etc.)
- Compression Utility (WinZip, Winrar etc.)
- Adobe Acrobat Reader 9.0 or above
- Browsers - Internet Explorer, FireFox, Chrome etc.)

UPS Specification: as appropriate for the H/W infrastructure.

Air Conditioner specification: as appropriate for the facility utilized.

Furniture & Fittings: Work stations with side cupboards, projection arrangement (screen + stand), white board, lighting etc.

Power and Back-up: as appropriate for lighting, air conditioning and UPS

Network Security: It would be in the common interest of **KJCOEMR** and **RPGF** to protect their computers and authors' work against unauthorized access.

To achieve at least minimum level of network security, **RPGF** recommends the following components:

- Appliance based firewall (Cisco PIX etc.)
- Internet Proxy Server (Squid, Microsoft ISA Server)
- Antivirus

Other facilities required: Server Placements: The servers and network equipment to be placed in secured enclosure prevent unauthorized access.

Proxy/ Firewall: A firewall must be placed between the internet and the **KJCOEMR LAN** to allow only legitimate traffic into the **KJCOEMR**. An appliance based firewall is recommended but **KJCOEMR** may also opt for software based firewalls, if the number of computers is less.

In case of a large number of users accessing the internet, a proxy server should be used to increase internet performance by caching and also putting in controls required to access the internet.

Printer: Institutions should install at least one printer per batch of 30 students. A network laser printer is most suitable for large networks.

Projector + Screen: A portable LCD projector may be required by the students to discuss and conduct presentations. It should preferably be placed in a discussion room.

Video Conference facility: College/Institute shall provide access to VC facility whenever required to students for planned VC sessions.

Maintenance & Support: An annual maintenance and upgrade contract should be signed with the software & hardware vendor to cater for maintenance requirements and upgrades.

Dear Pramod Sir,

Sharing the key observation during my visit to K. J. College of Engineering, on 7th June 2019:

Areas of Improvements (if any)	Requests/Needs from College (if any)
1. During training: Need to include more practical examples, real life scenarios and application 2. Power cut (electricity) during the training program. Extending trainings by hour or two on the same day. 3. Students: Communication Skills, confidence 4. Placement ratio (ESD trained students) 5. No platform/initiative for consistent practice skills/trainings delivered under ESD program	1. Training on latest technologies - Python, AI/ML, IoT, etc. 2. Invite for a meeting with all TPOs in Pune for the actual need of industry and new init 3. Faculty Development Program 4. Thought leadership sessions/workshops for students 5. New initiative/club at college for students (skill development) – self sustainable 6. Mock test/GD/interviews for students

During our next meeting/visit, we will share the updates for the AI's on our part.

We are looking for few initiatives/sub-programs to overcome these challenges, to provide a holistic support to all students.

Looking forward to an enriching experience for all ESD students.

Thank you!

Regards,

Amol Nitave (CSR Professional)

- ❖ **Family Background:** In my family we are 4 in number including me. My father works in RTO as Agent. My mother is house wife and I am having younger sister she is in 1st Year currently pursuing BE Degree.
- ❖ **About Zensar ESD Program:** I wasn't the part of Zensar ESD Program.
- ❖ **Placement Drive:** I have attended nearly about 5 companies like Kanini, O2h, HP, Pieinfocom & cybernetics. I wasn't selected in any of them due to lack of Aptitude and Coding Knowledge and got eliminated but now day by day I am improving so that I can get selected in further upcoming companies.
- ❖ **Interest:** I'm interest in AI&ML Domain and little bit in cloud computing. As I completed two months Internship in "Virtual AWS Cloud." Now, currently I am working on my BE Project with AI&ML Domain.
- ❖ **Weak & Strong Area:** Basically I am weak in Logical reasoning and the main two factors from which I'm unable to crack companies interview is Aptitude test & Coding Knowledge. My strong area is I'm good in commutation and can work with any team member those who guide me properly and also I'm a quick learner.
- ❖ **Why ESD:** With this program I can be able to solve all the difficulties which I had till now like Aptitude and Coding knowledge and some more technical Knowledge. So that I can be able to stand before any company and cleared their round with good placement. Yes, Definitely I would like to attend this one-year training program.

NO OBJECTION CERTIFICATE

This is to certify that Ms. Jyoti Mahadev Sandur is currently working in this organization as Assistant Professor in the Electronics and Tele-communication Engineering Department of K J College of Engineering & Management Research in this organization has no objection for her admission to Ph.D. program in Electronics and Tele-communication Engineering.

On behalf of organization, I assure that:

1. She is permitted to pursue Ph.D. studies on a part-time basis.
2. Her official duties permit her to devote sufficient time for research.
3. If required, she will be relieved from the duty to complete the course work.

The organization will grant leave as and when required and extend necessary facilities to the employee in order to complete her Ph.D. in the stipulated time.

Report on Topic: Entrepreneurship as Career Opportunity

Event Date: 15/02/2024

The ENSIN Forum, in collaboration with K J College of Engineering & Management Research, Pune, conducted an insightful interactive session on "Entrepreneurship as a Career Opportunity" specifically tailored for engineering students.

Key Speakers:

1. Mr. Sopan Aghav (Director, ENSIN Forum): Mr. Aghav provided valuable insights on taking up entrepreneurship as a career. He discussed numerous case studies of successful entrepreneurs and startups, giving real-life examples that demonstrated the potential and challenges of the entrepreneurial journey. His session emphasized the importance of innovation, resilience, and strategic thinking in building successful ventures.

2. Mr. Sanjay Jagtap (Director, ENSIN Forum): In his keynote address, Mr. Jagtap focused on the development of the entrepreneurship ecosystem to support innovators and aspiring entrepreneurs. He highlighted the significance of creating a supportive environment that nurtures ideas and facilitates the growth of new businesses. Mr. Jagtap also discussed various resources and opportunities available to engineering students to help them kickstart their entrepreneurial ventures.

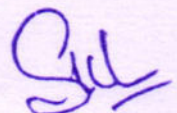

Session Highlights:

- The interactive session aimed to inspire and motivate engineering students to consider entrepreneurship as a viable and rewarding career path.
- Real-life examples and case studies illustrated the journey of successful entrepreneurs, making the concept of entrepreneurship more relatable and achievable for the students.
- The session emphasized the importance of developing an entrepreneurial mindset, which includes creativity, problem-solving, and risk-taking.
- Discussions also covered the importance of networking, mentorship, and continuous learning in the entrepreneurial journey.

Impact:

The session ignited a spark of curiosity and ambition among the engineering students, encouraging them to think beyond traditional career paths and explore the world of entrepreneurship. The insights and experiences shared by the speakers aimed to equip the students with the knowledge and confidence needed to embark on their entrepreneurial ventures.

UPS Specification: as appropriate for the H/W infrastructure.

Air Conditioner specification: as appropriate for the facility utilized.

Furniture & Fittings: Work stations with side cupboards, projection arrangement (screen + stand), white board, lighting etc.

Power and Back-up: as appropriate for lighting, air conditioning and UPS

Network Security: It would be in the common interest of **KJCOEMR** and **RPGF** to protect their computers and authors' work against unauthorized access.

To achieve at least minimum level of network security, **RPGF** recommends the following components:

- Appliance based firewall (Cisco PIX etc.)
- Internet Proxy Server (Squid, Microsoft ISA Server)
- Antivirus

Other facilities required: Server Placements: The servers and network equipment to be placed in secured enclosure prevent unauthorized access.

Proxy/ Firewall: A firewall must be placed between the internet and the **KJCOEMR LAN** to allow only legitimate traffic into the **KJCOEMR**. An appliance based firewall is recommended but **KJCOEMR** may also opt for software based firewalls, if the number of computers is less.

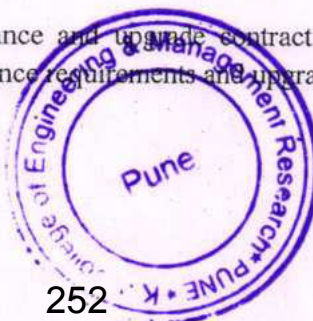

In case of a large number of users accessing the internet, a proxy server should be used to increase internet performance by caching and also putting in controls required to access the internet.

Printer: Institutions should install at least one printer per batch of 30 students. A network laser printer is most suitable for large networks.

Projector + Screen: A portable LCD projector may be required by the students to discuss and conduct presentations. It should preferably be placed in a discussion room.

Video Conference facility: College/Institute shall provide access to VC facility whenever required to students for planned VC sessions.

Maintenance & Support: An annual maintenance and upgrade contract should be signed with the software & hardware vendor to cater for maintenance requirements and upgrades.

Zensar ESD Assessment Test Report

Test Conduction Report: Zensar- RPG ESD ESD Assessment – 6th august 2023

Introduction: as MoU with- RPG Foundation Zensar, It is one of the best practice since 2010

ZENSAR ESD Assessments :-The Zensar- RPG ESD Assessment held on 6th august 2023 aimed to select students for the Zensar ESD training program. This report outlines the process and outcomes of the assessment.

Participants:

- The assessment was open to students from TE Computer, IT Students from the 2025 batch participated.
- Coordinators included Raju Singh Rathod, TPO of KJ College of Engineering; Kiran Pawar, TPO of Trinity Academy of Engineering; and Monika Samrutwar ,TPO of Trinity College of Engineering.

Pre-Assessment Requirements:

1. **Registration:** All participating students were required to register prior to the assessment.
2. **English Video Assignment:** Students submitted a profile video introducing themselves, uploaded to either Google Drive or Dropbox.

Assessment Details:

- **Date:** 6th august 2023
- **Topics:** The assessment comprised various subjects including aptitude and English, aligning with the requirements of the Chainsaw ESD training program.

Test Execution:

- The assessment was conducted following a predetermined schedule, with each section timed appropriately to ensure fairness.
- Proctors monitored the test environment to maintain integrity and fairness throughout the process.

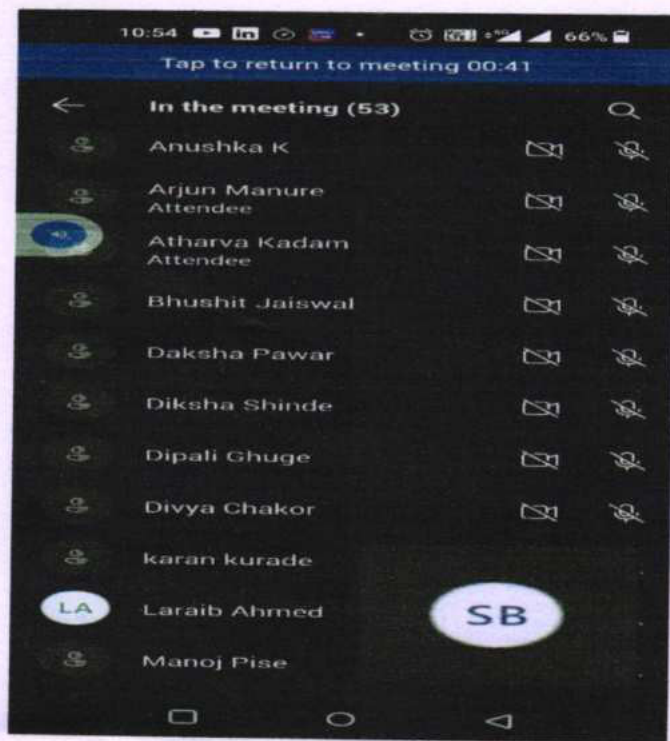

Outcome:

- The assessment successfully evaluated participants on key skills and knowledge relevant to the Chainsaw ESD training program.
- Results will be reviewed by the coordinating team to select qualified candidates for the program.

Result :

Total 97 students for the KJEI campus selected in Zensar ESD for RPG Foundation CSR Training

:Online Test

List Attached

Conclusion: The Zensar- RPG ESD Assessment on 6th April 2023 was a significant step in identifying potential candidates for the Chainsaw ESD training program. The collaboration between participating institutions and the dedication of students ensured the smooth execution of the assessment process.

Dear Pramod Sir,

Sharing the key observation during my visit to K. J. College of Engineering, on 7th June 2019:

Areas of Improvements (if any)	Requests/Needs from College (if any)
1. During training: Need to include more practical examples, real life scenarios and application 2. Power cut (electricity) during the training program. Extending trainings by hour or two on the same day. 3. Students: Communication Skills, confidence 4. Placement ratio (ESD trained students) 5. No platform/initiative for consistent practice skills/trainings delivered under ESD program	1. Training on latest technologies - Python, AI/ML, IoT, etc. 2. Invite for a meeting with all TPOs in Pune for the actual need of industry and new init 3. Faculty Development Program 4. Thought leadership sessions/workshops for students 5. New initiative/club at college for students (skill development) – self sustainable 6. Mock test/GD/interviews for students

During our next meeting/visit, we will share the updates for the AI's on our part.

We are looking for few initiatives/sub-programs to overcome these challenges, to provide a holistic support to all students.

Looking forward to an enriching experience for all ESD students.

Thank you!

Regards,

Amol Nitave (CSR Professional)

- ❖ **Family Background:** In my family we are 4 in number including me. My father works in RTO as Agent. My mother is house wife and I am having younger sister she is in 1st Year currently pursuing BE Degree.
- ❖ **About Zensar ESD Program:** I wasn't the part of Zensar ESD Program.
- ❖ **Placement Drive:** I have attended nearly about 5 companies like Kanini, O2h, HP, Pieinfocom & cybernetics. I wasn't selected in any of them due to lack of Aptitude and Coding Knowledge and got eliminated but now day by day I am improving so that I can get selected in further upcoming companies.
- ❖ **Interest:** I'm interest in AI&ML Domain and little bit in cloud computing. As I completed two months Internship in "Virtual AWS Cloud." Now, currently I am working on my BE Project with AI&ML Domain.
- ❖ **Weak & Strong Area:** Basically I am weak in Logical reasoning and the main two factors from which I'm unable to crack companies interview is Aptitude test & Coding Knowledge. My strong area is I'm good in commutation and can work with any team member those who guide me properly and also I'm a quick learner.
- ❖ **Why ESD:** With this program I can be able to solve all the difficulties which I had till now like Aptitude and Coding knowledge and some more technical Knowledge. So that I can be able to stand before any company and cleared their round with good placement. Yes, Definitely I would like to attend this one-year training program.

(b) The Second Party will have the following obligations about the Project:

- i. Facilitate the first party for the common endeavors
- ii. Provide resources when required to conduct sessions, seminars, and any event undertaken in lieu of the project.

IMPLEMENTATION

- This MoU is non-binding and any binding obligations will be in any definitive agreement, which Parties may sign as a result of discussions under this MoU.
- Nothing in this MoU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.
- All activities of co-operation implemented under the terms of this MoU shall be mutually agreed upon in writing, including the roles & responsibilities and budget, as the need may arise.
- Each of the parties shall be fully responsible financially for the activities carried out under its direction or by its staff, except as otherwise agreed by the parties.
- The parties will designate one representative each who will develop and coordinate specific programs or activities between them.
- The relationship of the Parties under this MoU shall be non-exclusive and both Parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular agreement, the Parties may agree to limit each Party's right to collaborate with others on that subject.

INTELLECTUAL PROPERTY

The Parties acknowledge that nothing in this MoU shall affect ownership of any intellectual property rights of the other party.

CONFIDENTIALITY

During the currency of the MoU, each Party agrees to consider as confidential all information disclosed by the other Party in written or tangible form or, if orally disclosed, confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party. The

Report on Topic: Entrepreneurship as Career Opportunity

Event Date: 15/02/2024

The ENSIN Forum, in collaboration with K J College of Engineering & Management Research, Pune, conducted an insightful interactive session on "Entrepreneurship as a Career Opportunity" specifically tailored for engineering students.

Key Speakers:

1. Mr. Sopan Aghav (Director, ENSIN Forum): Mr. Aghav provided valuable insights on taking up entrepreneurship as a career. He discussed numerous case studies of successful entrepreneurs and startups, giving real-life examples that demonstrated the potential and challenges of the entrepreneurial journey. His session emphasized the importance of innovation, resilience, and strategic thinking in building successful ventures.

2. Mr. Sanjay Jagtap (Director, ENSIN Forum): In his keynote address, Mr. Jagtap focused on the development of the entrepreneurship ecosystem to support innovators and aspiring entrepreneurs. He highlighted the significance of creating a supportive environment that nurtures ideas and facilitates the growth of new businesses. Mr. Jagtap also discussed various resources and opportunities available to engineering students to help them kickstart their entrepreneurial ventures.

Session Highlights:

- The interactive session aimed to inspire and motivate engineering students to consider entrepreneurship as a viable and rewarding career path.
- Real-life examples and case studies illustrated the journey of successful entrepreneurs, making the concept of entrepreneurship more relatable and achievable for the students.
- The session emphasized the importance of developing an entrepreneurial mindset, which includes creativity, problem-solving, and risk-taking.
- Discussions also covered the importance of networking, mentorship, and continuous learning in the entrepreneurial journey.

Impact:

The session ignited a spark of curiosity and ambition among the engineering students, encouraging them to think beyond traditional career paths and explore the world of entrepreneurship. The insights and experiences shared by the speakers aimed to equip the students with the knowledge and confidence needed to embark on their entrepreneurial ventures.
