Participation Of KJCOEMR at Sakal Education Expo 2025

The Sakal Vidya Education Expo was a career guidance and education exhibition organized by Sakal Media Group on June 7th-8th, 2025, at Pandit Farms, Karvenagar. The expo provided a platform for students and parents to explore various career options, connect with top colleges, and find suitable courses.

KJEI institutes booked a stall. KJCOEMR among with other colleges from the KJEI campus was part of it. The expo offered guidance to students on choosing the right career path based on their interests and aptitudes.

Students interacted with representatives from over 40 top colleges and explore various undergraduate and postgraduate programs.

Various programmes were held for counselling of students. Over 200 students and their parents visited our stall and showed keen interest towards the courses in our campus. Prof. Sheetal Nirve, Prof. Gopal Patil, Prof. Vidyadhar Dixit and Prof. Balwant Singh Bisht were deputed from KJCOEMR for counselling and guidance of the visitors.

Dr.Suhas Khot Principal KJCOEMR ,visited Old Age home

On 2nd June 2025, Sunday. Dr.Suhas Khot Principal KJCOEMR Visited Madhuban Old Age Home Talegaon. More than 60 old people live here. Some are bedridden while some are suffering from diseases. Sir had a good time with everyone. Sir had conversation with them, chatted, some were sad while some were finding it difficult to hold back tears of joy.

Sir said these people just want love. Some are retired officers while some are owners of big showrooms. They have been kept away from home due to family problems. They all got the satisfaction of being fed. Many thanks and gratitude to Shri Dalvi who runs this old age home.

The visit was a heartwarming and enriching experience. It not only brought smiles to the faces of the elderly but also gave Principal Sir a sense of purpose and awareness about social responsibilities.

Awareness program on clean campus, save water at 'Vitthal Rukmini Mandir' Yewalewadi.

An Awareness program on clean campus, save water by the students of Computer Engg Department, KJCOEMR at 'Vitthal Rukmini Mandir' Yewalewadi.

To maintain a clean campus and conserve water, implement measures like fixing leaks, installing water-efficient fixtures, promoting responsible water usage, and educating the community. Consider rainwater harvesting, using treated wastewater for gardening, and educating students about water conservation.
