DARPAN

Our True reflections

(A Newsletter of KJ College of Engineering & Management Research)

<https://www.kjei.edu.in/kjcoemr/index.php?/Newsletters>

INTRODUCTION

The May issue of KJ College of Engineering and Management Research DARPAN "our true reflections " is the Fifth issue of the year 2026 .It features a number of events, activities, and accomplishments racked up by our students and faculty in the month of May 2026.

We are thankful to our founder President Hon. Shri Kalyan Jadhav Sir and Management for their firm belief in us.

We sincerely hope that our readers will find "DARPAN " to be both useful and informative in its mission to inform them about the Institute.

Farewell function of BE students

A farewell party was organized in our institution to bid a heartfelt goodbye to the final year Engineering students .

The event was held in the first week of May 2026 at college auditorium and was arranged by the junior students to express their gratitude and appreciation for their seniors.

The program began with a warm welcome speech by the host, followed by an address from the Head of the Department, who praised the outgoing students for their hard work, dedication, and achievements throughout their academic journey. Faculty members also shared their experiences and extended their best wishes for the students' bright future.

The program included a variety of cultural performances such as dances, songs, and skits presented by the juniors. These performances added joy and entertainment to the event. A special segment was dedicated to sharing memories, where final year students spoke about their experiences, challenges, and cherished moments spent in the college

The venue was elegantly decorated, creating a warm and nostalgic atmosphere. Refreshments were served, and everyone enjoyed the occasion with enthusiasm and emotion.

The farewell party was a perfect blend of joy and sadness, as it marked the end of a significant chapter in the lives of the final year students. The event concluded on a heartfelt note, leaving everyone with beautiful memories to cherish forever.

Excellent Campus placement of students

Placement outcomes are the ultimate measure of a college's real value. Placements in over 170 Multinational companies were provided by the Training and Placement Cell of the institute. A photo session was held with these students .The purpose of the session was to celebrate the achievements of the students who secured placements and to create a sense of pride and motivation among their peers.

Students sincerely expressed their happiness and gratitude towards the institute for the support and guidance provided throughout their placement journey by the Management , Hon. Principal Dr. Suhas Khot , HOD's, TPO, and all the faculty members of KJ College of Engineering & Management Research.

Computer Donation Program

A computer donation program was organized by KJCOEMR to support the functioning of the local police station by enhancing its digital infrastructure. In modern law enforcement, computers play a vital role in maintaining records, communication, and efficient administration. This initiative aimed to assist the police department in improving their operational efficiency.

One Computer donated by KJCOEMR to Yeolewadi Police Station. Sr. PI Shri Maruti Patil was present..
