DARPAN

Our True reflections

(A Newsletter of KJ College of Engineering & Management Research)

INTRODUCTION

The September issue of KJ College of Engineering and Management Research DARPAN "our true reflections" is the Ninth issue of the year 2025. It features a number of events, activities, and accomplishments racked up by our students and faculty in the month of September 2025.

We are thankful to our founder President Hon. Shri Kalyan Jadhav Sir and Management for their firm belief in us.

We sincerely hope that our readers will find "DARPAN" to be both useful and informative in its mission to inform them about the Institute.

“Avishkar Research competition 2025” at KJCOEMR

A State Level Avishkar research competition 2025, was organized on 19th September 2025 at K J College of Engineering and Management Research, Pune in association with Savitribai Phule Pune University. More than 160 project groups approx. 640 Students (UG/PG/PhD) of all branches Computer, Electrical, Electronics & Telecommunication, VLSI, ACT, Civil and Mechanical Engineering participated in the competition .

Dr. Suhas Khot,Principal ,KJCOEMR have been Honoured with “SARVEPALLI RADHAKRISHNAN MEMORABLE NATIONAL AWARD

One more feather in Crown of KJCOEMR. Our Hon. Principal , Dr. Suhas Khot have been honored with SARVEPALLI RADHAKRISHNAN MEMORABLE NATIONAL AWARD for the Category “Most Influential Academic Leader” on 05/09/25 at New Delhi by International Association of Research and Development Organization & Institute for Social Reforms and Higher Education Charitable Trust, Uttar Pradesh. Principal Sir thanked everyone for their cooperation.

Participation in Smart India Hackathon

Smart India Hackathon (SIH) is a premier nationwide initiative designed to engage students in solving some of the most pressing challenges faced in everyday life. Launched to foster a culture of innovation and practical problem-solving, SIH provides a dynamic platform for students to develop and showcase their creative solutions to real-world problems. By encouraging participants to think critically and innovatively, the hackathon aims to bridge the gap between academic knowledge and practical application.

More than 500 students participated in the Internal Round of Hackathon from KJCOEMR The hackathon not only offers students an opportunity to showcase their skills but also encourages collaboration with industry experts, government agencies, and other stakeholders.

Direct Second Engineering Induction Program

All departments of KJCOEMR ,Pune successfully conducted DSE induction program. To ensure smooth academic and cultural integration of Direct Second Year (DSE) students admitted through the Centralized Admission Process (CAP), the college organized a DSE Induction Program at the institute level. The program aimed to familiarize students with the institute’s environment, academic rules, facilities, and support systems, thereby enabling them to adapt seamlessly to degree-level education. It organized by the K J College of Engineering & Management Research, Pune in collaboration with, Academic Coordination Cell – for planning and execution of academic orientation sessions, Training & Placement Cell – for guidance on career opportunities, industry expectations, and student placement activities.

Zscaler Cybersecurity Training at Jio World Centre

"Students of KJ College of Engineering & Management Research, Computer Department, had the wonderful opportunity to attend the Zscaler Cybersecurity Training at Jio World Centre, Bandra. The session gave students a chance to dive into real-world Cybersecurity practices through DoLabs, where they not only learned advanced concepts but also gained valuable hands-on experience. Zscaler 1day training 11th September 2025Location - Jio World Center BKC, Mumbai.

An industrial Visit to Minilec was arranged for the students of VLSI department.

The Department of Civil Engineering, KJ College of Engineering and Management Research (KJCOEMR), Pune, is pleased to inform that the department has signed a Memorandum of Understanding (MoU) with the Pune Construction Engineering Research Foundation (PCERF), Pune. This MoU aims to strengthen the Industry - Academia relationship, fostering collaboration in research, training, site visits, conferences, placements, projects, and seminars. We extend our heartfelt gratitude to our Hon. President Sir and Principal Dr. S. S. Khot for their unwavering support, motivation, and guidance in facilitating this initiative.

RESEARCH UPDATES(PATENT, CONFERENCES ,FDPs , JOURNAL PAPERS PUBLISHED, AWARDS etc)

- Dr. Suhas Khot, got his Patent published with title of Invention “Empirical based fusion deep convolutional neural network for multimodal emotion recognition”.
- Department of Mechanical Engineering, KJ College of Engineering & Management Research, Pune, organized a One Week ISTE-Approved STTP/FDP on “Research Methodology and Quality Research Work”, from 8th to 12th September 2025.
- Prof. Mohit Shakya Awarded reviewer CERTIFICATE In recognition of the review done for the International Conference on Sustainable Technologies for Humanity and Smart World (HSWTech-2025) held during 2nd to 4th September 2025, organized by the Department of Electrical & Electronics Engineering, School of Engineering & Technology, MITWPU, Pune.
- In association with AICTE and MOU’s Innovation Cell of Government of India, K J College of Engineering and Management Research, Pune is organized “Internal Smart India Hackathon 2025” on 24th September 2025.
- A training session was delivered by Dr. Vivek Korde on “ IEEE Xplore Access and how to Use Research databases Effectively” for all final year students of KJCOEMR under IEEE student branch KJCOEMR on 11/9/2025.
- Prof. Rahimraja G. Shaikh received certificate of appreciation for giving his valuable contribution and Expert Evaluation during College Level Avishkar 2025 competition organized by Research and Development cell , Trinity Academy of Engg. Pune on 9th Sep 2025
