

Student Satisfaction Survey Analysis for the Academic Year 2025-2026

Overall Performance of the Institute

Overall Performance of the Institute (82%)

Student Satisfaction Survey Responses

A) General remark -

- Aptitude, Technical skills and soft skill development sessions should be given to improve placements.
- More Practical oriented program should be given to increase practical knowledge for improving skill set.
- Increase the intake of Smart Board.

B) Action Taken

- For Aptitude and soft skill development college has provided 36 hrs Aptitude training program by Seed Infotech Pvt.ltd.
- For Technical Skill development college has provided 120 hrs Next Gen Employability Program by Edunet Foundation and EYGDS.
- Various technical competitions like Gravity 2k26, IETE Project Competition and IGNITE Conference has been organized by college to improve Practical knowledge as well to promote Research and Innovation.
- For effective teaching college has added more smart boards in different departments.
