About program:

K J College of Engineering and Management Research, Pune organized a Seminar on Start up and project ideas in Engineering.

On the occasion of Science day the speaker Dr.Srinivasa Narasimha Kini conducted seminar on topic Start up and project ideas in Engineering. He explained project ideas in programming. He also explained best examples of startups and also solved the **queries** of students regarding startups.

Program was beneficial for students and they also suggested to arrange such types of programs in future. Program is well organized and appreciated by students. Around 90 students have attended the seminar physically in the classroom and 73 students attended online.
