Report

Employability Development Program

The Employability Development Program was conducted from 10th July to 20th July 2019, across all branches. It was aimed at enhancing the employability skills of the students through the development of aptitude and soft skills. The training was conducted for a total of 80 hours by experienced trainers, Amol, Aniket Bakkad, and Laxmikant. The program was coordinated by Satish Yedge from the Computer Department and Shilpa Kale from the ENTC department. A total of 249 students from BE all branches appeared for the program.

Syllabus Coverage

The program covered essential topics related to aptitude and soft skills. The trainers covered a wide range of areas such as problem-solving, logical reasoning, critical thinking, quantitative analysis, verbal and non-verbal reasoning. Additionally, emphasis was given to personality development, communication skills, leadership, teamwork, and time management.

Trainers and Coordinators

The trainers Amol, Aniket Bakkad, and Laxmikant were highly experienced in their respective fields. They had the expertise in developing employability skills among the students. The coordinators, Satish Yedge and Shilpa Kale, played an essential role in ensuring a smooth conducting of the program.

Total Number of Students Appeared

A total of 249 students from BE all branches participated in the program. The students showed a tremendous amount of enthusiasm and actively participated in all the activities and training sessions.

Conclusion

The Employability Development Program was a huge success among the students. It helped them to enhance their employability skills, which would be crucial for their future careers. The program also instilled a sense of confidence and professionalism which would help them in any career they pursue.
