Report

Soft Skill

Prof Sonali Joshi, TPO TIMR, recently conducted a soft skills training session on 30th January 2020, which was attended by 44 BE students. The session was organized by Prof Satish Yedge and Prof Rajsingh Rathod, TPO KJCOEMR, and aimed at enhancing the communication and interpersonal skills of the students.

The session covered a range of topics related to soft skills, starting with an introduction to the importance of these skills in the workplace. Prof Kulkarni emphasized the need for students to have a strong foundation in soft skills, as these would be critical to their success in their future careers.

The training program also covered topics such as effective communication, time management, team building, and leadership skills. Prof Kulkarni provided practical tips and real-life examples to reinforce these concepts and help students apply them in their daily lives.

The session was highly interactive, with Prof Kulkarni encouraging the students to share their own experiences and ideas. The students participated actively in the session and were enthusiastic about learning these new skills.

At the end of the session, the students were given a feedback form to evaluate the effectiveness of the training program. The feedback received was overwhelmingly positive, with students appreciating the practical tips and techniques shared by Prof Joshi.

Overall, the soft skills training program by Prof Sonali Kulkarni was a success and achieved its objectives of enhancing the communication and interpersonal skills of the students. The program was well-coordinated by Prof Satish Yedge and Prof Rajsingh Rathod, who ensured that the students received valuable insights from an experienced professional in the field.

Report
"MaTPO Aptitude Idol-2023"

Online aptitude competition, "MaTPO Aptitude Idol-2023", organized by the Maharashtra Association of Training & Placement Officers (MaTPO) on 11th March 2023, Saturday from 08:00 am to 07:00 pm.

The competition was open to students of various courses such as B.E. / B.Tech. / M.E. / M.Tech. / Diploma / BCA / MCA / BCS / MCS / BBA / MBA / B.Sc. / M.Sc. / B.Pharm. / M.Pharm, from First Year to Final Year. The objective of the competition was to improve the employability of students in Maharashtra and increase their job opportunities.

The competition had an online aptitude test, Round-1, which was conducted for 60 minutes on 11th March 2023. The test was conducted at the students' respective colleges, and it was mandatory for all students to take the test. The TPOs, HODs, Class Teachers, and other concerned people were requested to make the necessary arrangements for the online aptitude test for their students in batches according to the number of students. The students were given 8-10 days to prepare for the test, and it was expected that all students would appear for the test to improve the placement and internship percentage of their respective institutes.

We are pleased to inform you that 105 students registered for the competition, and all students took the competition successfully. The competition proved to be a great success, and we received positive feedback from participants. The competition helped students to assess their aptitude and identify their strengths and weaknesses. It was a great platform for students to enhance their skills and improve their employability.

We would like to thank every participant who appeared for the competition and congratulate the winners of the competition. We are confident that this competition has contributed towards achieving our objective of improving the employability of students in Maharashtra and increasing their job opportunities. We look forward to organizing more such events in the future to benefit the students of Maharashtra.
