**Report of Training & Placement Session**

**Date: 13/04/2022**

**Time: 11.00am.-12.30 pm.**

**Venue: Class room No.A-322**

**Report On Soft Skill training Program**

Session conducted by Hon.Sameer Kalla sir,Executive Director KJEI, for SE, TE & BE students under the Training & Placement activity of the department. The session started with a motivational video, followed by a really nice session on "Personality Development" and how to improve yourself at work or in life.

Students gained valuable insight towards managing communications, relations, work, stress, behavior, actions, etc. Overall session will help the students to identify the value of continuous learning and improvement along with continuous development. It was extremely good session to identify and improve professional as well as personal skills.

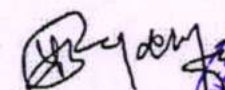

Students learned a lot from this session on how to develop themselves and to set manageable goals so that they can achieve it.

The session content, assignments and test questions are structured in such a way that everyone understood their strengths and weaknesses.

### Topic: GTT Barclay Training

We have arranged Training for 200 students of KJCOEMR. Objectives of this training is to students develop technical skills and create professional identity among students. It enables them to prepare short term and long term goals for their personal and educational development. we have started the training from 14<sup>th</sup> sept-2021 for college students. Training have covered Aptitude (14-09-2021 to 18-09-2021), Soft skill (20-09-2021 to 22-09-2021), Technical (23-09-2021 to 25-09-2021). The timing was 9:30 AM to 11:30 AM.

Around 200 students have registered for training.

GTT also provided Mentoring Program. They have selected 8 students for Annual Mentorship program with Barclays Colleagues. The interaction has served as an important opportunity for the college and students to be associated with a multinational brand like "Barclays". The students have also received acknowledgment of their participation and it will also help in enhancing their inner potential as they embark on their journey into the corporate workforce.

## Report

### Topic: IBM Skills Build program

IBM Skills Build Program is focused on emerging technologies such as block chain, AI, cyber security and professional development skills. It offers best in class content and in-depth guidance to help learners' success. Learners are able to assess free all the alignment of their skills and personality with in-demand job roles, engage in online learning, receive guidance from IBM mentors, and work on real projects to create a portfolio. This training benefits to students -

- Placement assistance by way of virtual job fairs on IBM Skills Build platform
- Students are updated with the latest technologies
- Skills Build certification & badges adds value to their resume
- Over 10000+ free courses (technical & soft skills) on the learning platform
- Complete assistance by Edunet for student onboarding & initial handholding for the sessions

Out of the total students/ faculties- 753, onboarded on the platform, 284 students have logged in and completed the activity. There are 469 learners who have not even logged in to the portal. Please ask them to follow the instructions provided earlier and complete the same asap.

Also arranged FDP program. On Introduction to AI & ML, Regression Analysis, Classification. The FDP was started on DATE - 1st to 3rd September 2021 (3 days). The Resource person were Pravin, Alol Negi & Ameer.

IBM has recognized top Two learners from institute. Atharva Arvind & Vaishanavi Khaire recognized as top three learners. We heartfelt congratulation to these achievers.

We would need your support to ensure that these students are recognized for their efforts and if possible you could feature them in your website/ social networking sites, which will inspire and motivate other students to take up courses and build future-ready skills with IBM Skills Build.
