Venue:	Room No- 204, First floor ,Civil Department		
Title of Program:	Inauguration of R & D cell		
Speaker/Guest:	Dr. Harold D'Costa CEO – Intelligent Quotient Security System, Pune Advisor,		

About Activity: RESEARCH & DEVELOPMENT CELL, CIVIL

The program for Inauguration function of R&D cell was arranged on 24 January 2017 at Trinity Academy of Engineering, Pune. For this Dr. Harold D'Costa CEO – Intelligent Quotient Security System, Pune Advisor, were invited as a chief Guest .Also our Principal Dr. V.M.Wadhai, Mr.S.S. Dehmukh (H.O.D Civil), Mr. S.S.Mulik (H.O.D Mechanical), Mr.Kiran Davkar (H.O.D)E&TC), Mr. A.V.Mali (H.O.D F.Y.) Mr. D.K.Chaudhari (Chief Coordinator Student Council) and Student Coordinators of R & D Cell present for Inauguration function.

Research and Development cell is an integral part of the activities of Trinity Academy of Engineering. Research and Development Cell aims to nurture research culture in the College by promoting research in newly emerging and challenging areas of Engineering, Technology, Science and Humanities. As a part of activities we had introduced various Software Such Autocad, Stadd-Pro, E-Tab and Google Sketch UP. The students of SE, TE & BE civil engineering had participated in software projects and explained their softwares with suitable examples.

Program Outcome:

- The function had created awareness and opportunities in Research and Development among the students & faculty and to create Research and Development atmosphere in Civil Engineering department;
- The function has motivated the faculty members of the Civil Enggering for R&D activities in the area of their specialization;

- It encouraged staff members and students to prepare technical papers for publishing in National and reputed International Conferences/Journals. It also encourage staff members and students to learn new software and techniques;
