Date:	3 rd Jan. 2017	Time:	11:15 am to 12:30 pm
Venue:		TAE Seminar Hall (Room No: 102)	
Title of Program:		"Enhancing Technical Skill"	
Speaker/Guest:		Dr. V. M. Wadhai	

About Student Association cell Program:

The Program was about enhancing technical skills of the students, organized by student association cell in which all four department- associations, i.e. ACES, CESA, ENCORE and MESA, work cordially to conduct the program. Also in this Program new member of the association were selected. President of respective committee expressed their view and planned a program for the coming semester, All department heads had given guidelines about how to conduct programs under respective cell also they expressed their expectation from the new elected bodies.

Our Principal Dr. V. M. Wadhai was the main speaker of this program, He gave detailed understanding of what is meant by enhancing technical skills and how can improve our technical skills in day to day life. Session was totally motivating and encouraging the students. There was near 150 students who attended this program. We are expecting more participation of students in the program of student association cell in near future.

Student Association cell Program Outcome:

1. Officially declared the newly elected member of new body of ACES, CESA, ENCORE and MESA.
2. All active student members of the Association understood how they can improve their technical skill along with academic curriculum.
