

Institution Innovation Council (IIC)

❖ About Institution's Innovation Council (IIC):

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years. MIC has encouraged creation of 'Institution's Innovation Council (IICs)' across selected HEIs to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses. Our Institute KJ's Trinity Academy of Engineering Pune has been selected for establishing Institution Innovation Council (IIC) (2019) at our premises as per the norms and directions of Innovation Cell, Ministry of HRD, Govt. of India.

❖ Major Focus of IIC:

- To create a vibrant local innovation ecosystem
- Start-up/ entrepreneurship supporting Mechanism in HEIs
- Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework (ARIIA)
- Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas
Develop better Cognitive Ability amongst Technology Students

❖ Functions of Institution's Innovation Council

- Promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus
- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bounded fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc with the involvement of industries.

Institution's Innovation Council(IIC) Activity Summary

Sr. No.	Title	Activity
1	Workshop on Innovations in Data Science under PMMMNMTT ,Funded by MHRD	Data Science– An interdisciplinary field, data science deals with processes and systems that are used to extract knowledge or insights from large amounts of data. Data extracted can be either structured or unstructured. Data science is a continuation of data analysis fields like data mining, statistics, predictive analysis. A vast field, data science uses a lot of theories and techniques that are a part of other fields like information science, mathematics, statistics, chemo metrics and computer science.
2	Zensar FDP for Innovation in AI and ML	Trinity Academy of Engineering Pune in association with Zensar- RPG foundation arranged two days FDP on Innovation in Artificial Intelligence and Machine learning on 9th and 10th Dec 2019. Faculties from different colleges were invited to attend this Faculty Development Program. The objective of this FDP is to train the faculties on recent trends like Artificial Intelligence and Machine learning.
