<b>Program under:</b>	MCASA-Master in Computer Application Student Association
<b>Sponsor:</b>	Trinity Academy of Engineering, Pune.
<b>Program coordinator:</b>	<b>Mr. Sameer Kakade</b> Co-ordinator. TAE
<b>Date of program:</b>	15 December 2022

<b>Topic</b>	Placement Feedback by students
<b>Speakers of the session:</b>	Dr. Nilesh J. Uke, Principal TAE HOD MCA, MCA SY Students

**About program**

MCA students complete work placement reports after being on placement in industry, the aim is to increase workplace learning and to increase students understanding about the placement, career direction, and skills obtained. Second-year MCA(Engg.) students' perceptions of their Resume writing experience, academic feedback quality, and the effect of completing work placement reports on their learning and report writing ability, were surveyed.

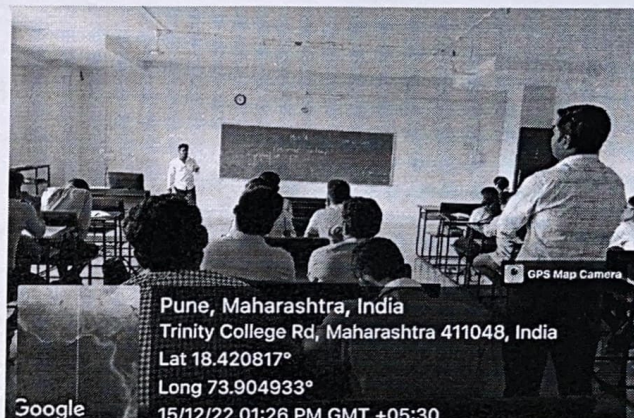

**Program Outcome**

MCA students enjoyed the experience and perceived greater benefits. Placed student opinion was mixed, reflecting greater experience. Placed students rated feedback from academics higher than the MCA students, perhaps because their reports were more interesting for academics.

The Second year students were more sophisticated on the benefits of reflecting and reviewing what they had learned.
