HON. FOUNDRAR PRESIDENT, KJEI

It gives me great pleasure to see KJ's Educational Institutes has not only expanded enormously, both in terms of student strength and diversity of courses, but my dream of providing quality education has also been fulfilled. Here at TAE students are equipped with the necessary skills that create successful technologists and global leaders who can steer the world in the direction of growth and development. The confidence posed by the industries of our institute is indicated by the fact that 100% of our students are placed and are serving

I, on behalf of KJEI, TAE, invite all company to visit our institute for campus recruitment and other purposeful academic activities of mutual interest.

Hon. Kalyan J. Jadhav

MANAGING DIRECTORS, KJEI

With the world, becoming a global village and globalization coupled with stiff competition is making its presence felt in our country, the need of the hour is to successfully meet such tests and challenges.

we take care to groom our students according to the needs of the industry.

We seek to open frontiers of knowledge and reveal new horizons of change, to broaden mindsets and to create positive attitudes in our students

Mrs. Harshada V. Jadhav

Ms. Vibhavari K. Jadhav

TREASURER, KJEI

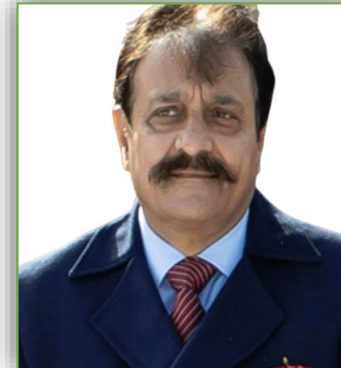

KJEI, TAE has all required infrastructure, including highly qualified faculty members and well-equipped laboratories, for hands on experience. Students are exposed to the most modern and up-to-date curriculum and contemporary developments in various disciplines of engineering. In addition to developing excellent scientific and engineering skills our graduates have been molded into well-rounded personalities, given their exposure to working as teams on projects, developing presentation and communication skills, and actively participating in extracurricular activities.

I heartily welcome companies of all sectors our campus for recruitment of our B.Tech graduates.

Mr. Vinod K. Jadhav

EXECUTIVE DIRECTOR, KJEI Campus

The KJEI have been dedicated to its mission to nurture students who are builders of nation by advancing knowledge and imparting quality education and to contribute to society through the pursuit of education, learning and research at the international levels of excellence. I welcome all the companies to the portals of this great educational institution and wish they emerge here world-class engineers. I would urge upon them to prove as good human beings and worthy citizens of this great country, India

I welcome you all to join us in our mission.

Maj. Gen. Sameer Kalla VSM(Retd.)

Introduction

KJ's Educational Institutes were established in the year 2005 and have excellent infrastructure spread over 110 acres of lush green campus with spacious building for individual institutes in the scenic backdrop of Sahyadri hills. Under the KJEI Umbrella various institutions like three Engineering Colleges, B Pharmacy, D Pharmacy, Architecture, Management, Diploma in Engineering, Junior College, and International School, it has quality education from KG to Ph.D. The salient features of the campus are Wi-Fi campus central auditorium, good library with e-resources, hostels and 160m diameter green cricket ground and football field, hygienic canteen with 500 capacity, 16 buses for transportation, generator back up for the whole campus, ATM, RO plant for drinking water, wastewater treatment plant, etc. It provides the perfect ambiance. for the teaching-learning process, nurturing the innovative minds in healthy bodies.

Aim

- To develop national and international links with the business organizations **to be able to create opportunities for the placement of the students in the global job markets. To develop students who are globally employable & ready hands to the industry.**
- To strengthen and enhance **Industry – Institute partnership** by way of campus connect. To impart personality development training to the students to face this competitive era.

Aim of T & P Cell

We at Trinity Academy of Engineering transform the students both personally and professionally to prosper and succeed in this era of technological advancements. We teach the students with very carefully selected, well qualified faculty members having requisite skills and full commitment. Our strenuous efforts for the academic development have reaped good results to our college and to render consistent training and encourage learning to the slow learners, we conduct remedial classes.

I appreciate the efforts of our vibrant Training and Placement Cell who are in constant touch with industries for the training and placement of our students. I am sure our recruiters find our students very competent and they will be visiting us regularly.

We look forward towards enduring and fruitful relationship with our esteemed recruiters.

I wish Training & Placement Cell all the success.

Dr. Nilesh J. Uke

It gives me great pleasure to invite you to visit Trinity Academy of Engineering .The Training and Placement cell is a bridge between students and corporate to connect and to fulfill their requirement.

We bring new perspectives from various industries by signing Memorandum of Understanding [MoU] to bind a relationship for sharing technical knowledge across the country. Ample number of opportunities like industrial visits, in plant training, industrial projects, placement opportunities etc. is provided to the students to acquaint with industries for getting exposure in developing their career in this challenging field.

To create awareness about career opportunities and to develop technical knowledge through career guidance bureau, we organize funded workshops, seminars etc. with experts from industries and reputed institutions. In addition, the entrepreneurship development cell activities are being carried out to inculcate the thrust of entrepreneurship among our students.

Prof. Kiran P. Pawar

Course Offered

UG/DEGREE :	Civil Engineering	60
	Computer Engineering	60
	Mechanical Engineering	60
	Electronics & Telecommunication	120
	Information Technology	60

POST GRADUATION:

Construction Management(Civil Engineering)	24
Design Engineering(Mechanical Engineering)	24
Master of Computer Application	120

Goals and Objectives of T&P Cell

- To provide **maximum placement opportunities** to each and every student.
- To provide **Career guidance, Industry readiness and Development plan** to candidates from 4th Semester.
- Provide **Internship** to students in every academic year.
- To encourage students to **participate in various events** like, workshops, conferences, seminars, etc. both in and outside the college.
- To invite various corporate to the college to conduct of workshops/seminars, etc.
- To establish MoUs with various corporate for the all-round development of the student.
- To promote career counseling by organizing guidance lectures by senior corporate personnel and most importantly by the immediately placed senior students.

Placement Policy -T&P Cell

7

- Institute follows the '**One Student–One Job**' policy. After being offered a job by any company, a students are allowed to participate further in the **dream company**.
- However, a student who has been selected by a company may be allowed to participate in selection process of one additional company **offering higher package**.

Recruiter's Testimonials

Mr. Prosenjit Das
Talent Leader-Parkar Digital

"We have been associated with Trinity Campus since 2020 for the fresher recruitment and we selected the best pool of students. The T & P Team of TAE Team is by far the best in organizing the drives."

Mr. Govind Thange
Senior Vice President at Winsoft

We have been working alongside the college for many terms now and have built a fantastic relationship. I have delivered a session on New Education policy at a National level workshop organized by the college. Working with the college and students have been a pleasure and we look forward to continuing this professional relationship.

Neha Sawant
Manager - Human Resource, Betsol

"Trinity prepare its students for the corporate culture and instill the highest degree professionalism. I found that Trinity students have the same values that we do, in particular, commitment to complying with ethical standards, community service, and service excellence. We are a proud employer of the intellectual and diverse population of Trinity.

Mr. Kamal Vikram
General Manager, HR, General Energy Management System

"We are delighted to be working in partnership with TAE College, providing a number of student. Many of the students have joined us on a permanent basis after completing their course, and we always find both the college and students a pleasure to work with"

Ms. Nidhi Mishra,
HR Consultant and a Trained Trainer,
AssetCues

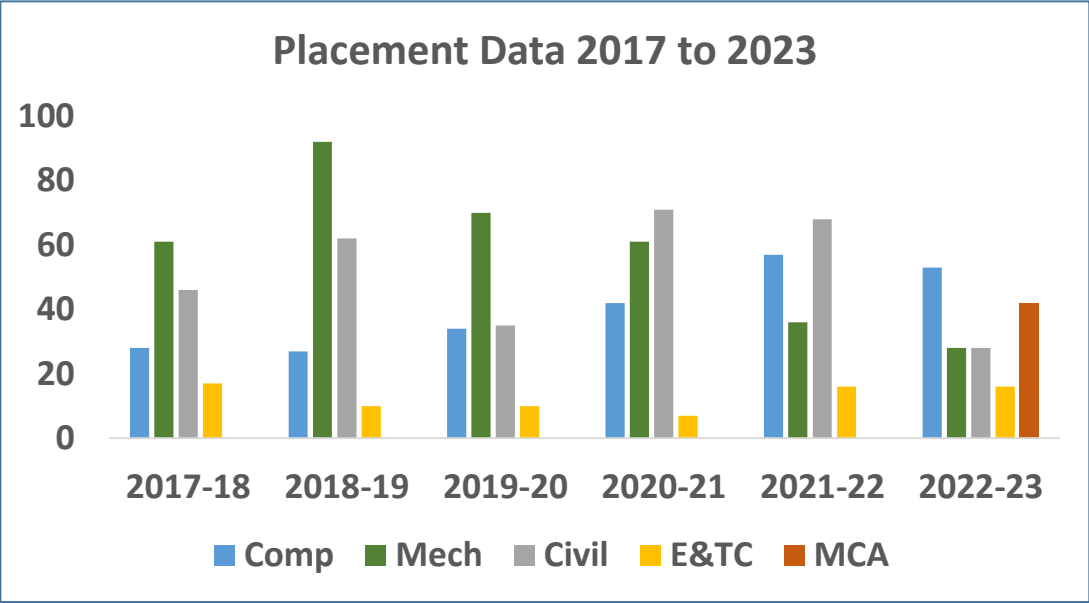

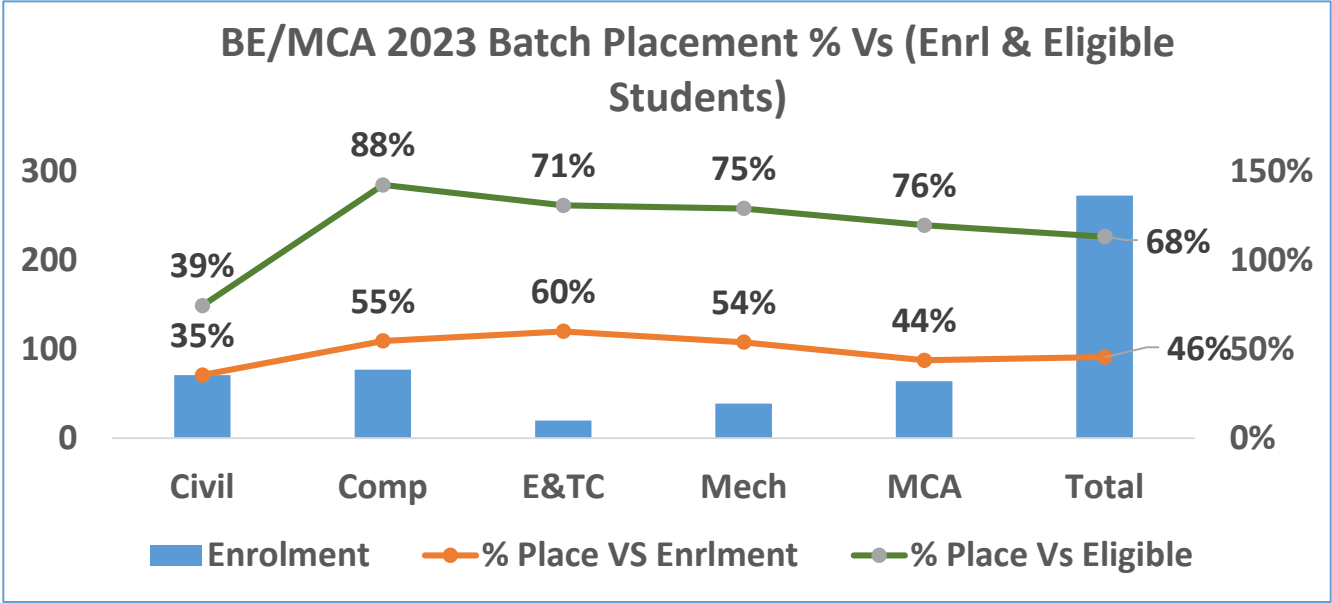

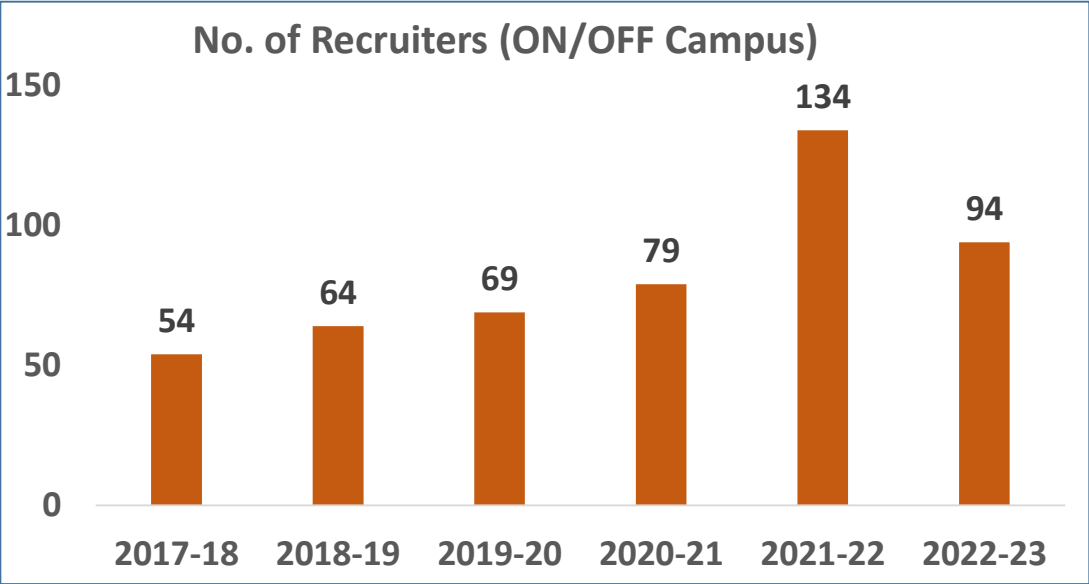

Each year, we happily receive 15 + students from the college. They are an invaluable addition to the team. TPO and his team is always prompt in responding to our requirements.

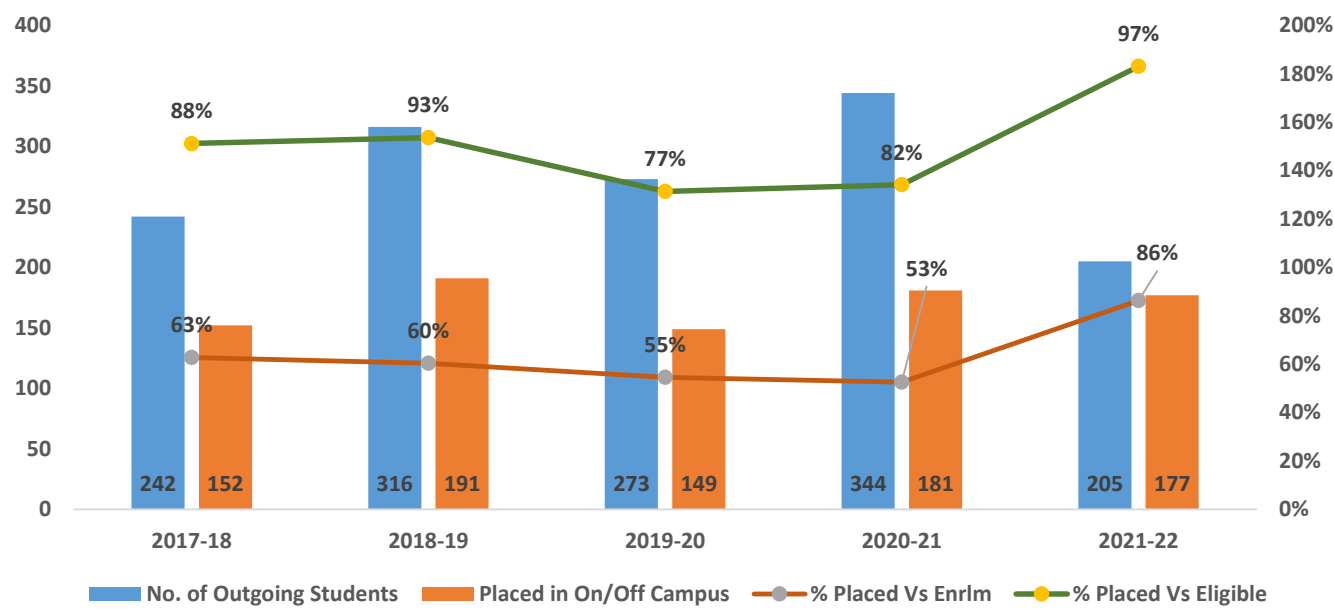

Ms. Harsha Sachdev,
HR Business Partner at Netscout Systems

We have always found everyone at the college to be approachable and very well organized. The students have a good understanding of what is expected of them and how they should conduct themselves while with us. We have conducted the International Level hackathon in the name "Tech for Good" and it was excellently coordinated by the college team.

Mr. Mihir Bhattad (BE Comp)

Placed in TCS, Sankey Sol, Kanini with 7LPA

I am very thankful to our training and placement officer who was constantly with us during our selection process. They had arranged mock interviews and various other sessions for aptitude and technical skills due to which I was able to crack TCS interview of 7 LPA.

Mr. Moin Azam (BE Comp)

Placed in Hexaware, Knaini 4.5 LPA

I am pleased to share that my college's Training and Placement support played a crucial role in my successful placement journey. The T&P team offered unwavering support and guidance throughout the placement process, and I cannot thank them enough for their dedication and hard work.

Mr. Pramod Jadhao (MCA)
Placed in IANT

I got placed in IANT. It is because of the efforts put by our faculties and Training and placement cell. Trinity Academy of Engineering provides great exposure to students by organizing different activities, workshops and hackathon which are very helpful for every student for deciding their future field. I feel great studying at Trinity Academy of Engineering as it gives great opportunity as well as support of faculties and placement officer.

Mr. Ammaar Sayyed (E&TC)
Placed in Amazon- 5 LPA

I am really thankful towards our college and placement cell, for supporting and providing us opportunities to learn interview skills, communication skills and guiding us in placements. The staff was supportive and informed us with enough notice regarding every placement drive. The Placement Cell has good connections with the industry leading to various opportunities of careers available to us. This helped me to get placed in Amazon.

Ms. Suzanne Shaikh (BE Comp)
Placed in Jaro Education, Learning Routes, PlanetSpark, Skolar, MyCaptain, Codeyoung 8 LPA

Thanks to the T&P cell for their unwavering support and guidance. With ample opportunities, we secured excellent job offers and kick-started our careers positively. Our TPO, Mr.Kiran Pawar, has always been approachable and ready to assist us.

Mr. Aman Bhoskar (BE Comp)
Placed in Jaro Education, Learning Routes, Planet spark,Skolar 8 LPA

I am grateful to our college's T&P cell for helping me secure offers from Jaro Education, Learning Routes, Planet Spark, and Skolar. Their personalized training sessions and feedback were invaluable in enhancing my skills and performing better in interviews. I also thank Mr. Kiran Pawar for referring me to companies and providing valuable insights. I highly recommend the T&P cell to my juniors for their future placements. Thank you again for the support and guidance.
