To,

The Vice-Chancellors of all Universities, Maharashtra

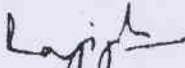

Subject:- Advisory for Universities and colleges Regarding Web-Portal for Online Application for attestation of Academic Certificates.

In order to ease the process of attestation of Academic Certificates required for the Indian students willing to study in foreign universities and Foreign students studying in the State of Maharashtra, the Higher & Technical Education Department, Govt. of Maharashtra has decided to make the application process online. Taking into consideration the current scenario and goals as set under the Digital Maharashtra campaign, the department took a decision to make the application process online for ease of Indian as well as Foreign students. The portal is live <https://digitalattestation.mahat.org> and it would provide an online gateway to all the students who want to get their Academic Certificates attested by Higher & Technical Education Department, Govt. of Maharashtra. The aim is to enhance efficiency in the attestation process have hassle a free process for students as well as officials involved in attestation process.

Going forward, the offline submission of documents and certification attestation will be discontinued. Students must apply online and upon successful submission and verification of documents, students can apply for appointment with Department of Higher and Technical Education, Govt. of Maharashtra. The appointment time and other details/updates as decided by the department will be communicated to students via email.

Department of Higher and Technical Education, Govt. of Maharashtra urges all universities and colleges of the state to show coordinated and collective effort in a mission mode and request to start following the online process of submission of documents, authentication and certificate attestation for students. The information regarding the process is also updated on <https://htedu.maharashtra.gov.in/>

Yours Sincerely,

(Rajiv Jalota)
