Report for First Alumni Meeting:

The alumni association is formed in Trinity College of Engineering and Research from year 2015 and it is registered at Pune Office. The primary objective of association is to interact with alumni which will help to improve the institute and society by adding their professional experience during academics. This objective will further help in the augmentation of name, fame and growth of the institute. Our Alumni are very successful and well placed in the corporate world. They provide us continual inputs so that our training programs can be made morerelevant to current industry requirements.TCOER strives relentlessly to foster the bond with its alumni. Thus to help us in our continuous efforts to strengthen the alumni network as well as to keep the alumni abreast of the campus happenings,

First Alumni Meet was organized last year 10th October 2015 to assemble former students under one roof. We are happy to inform that in first alumni meeting near about 450 students were participated and shared their view regarding institution, Professional Experiences and also suggestedsome improvement in teaching learning-processfor betterment of institute and society.

Our Hon'ble President Mr. K. J. Jadhav and Executive Director Dr.H.K.Abhyankar have acknowledge participation of former students and interacted with them. The Principal Dr. P.S.Dabeer shared some experiences of former students and explained importance of alumni for the growth of institution.

Mr. S. V. Mutalikdesai

Faculty In-charge

Dr. P.S. Dabeer

Principal TCOER
