**7.1.1 Annual gender sensitization action plan**

Trinity College of Engineering and Research Focus on Women's empowerment and gender equality. To bring a positive change in the attitude and support equity among genders, annual gender sensitization plan is followed as mentioned below, having the objective to promote inclusiveness, tolerance, harmony and women's empowerment among the students and staff

**Annual gender sensitization plan**

- Conduction of Session related to Women hygiene
- Session to be conducted related to Personality Development of Women
- Under Code of Conduct Girls and Boys students must understand how to professionally behave.
- Play related to Gender Sensitivity should be arranged, which can more alert students on this issue
- Women's day should be celebrated at Institute level to give respect to Women.
- In all Technical, non-technical activities Girls and Boys Students should participate together.
- Other than above mentioned important points, For Women Safety and Security there should be Hi-Tech Surveillance system in College premises as Well as in hostel. From Women safety point of view strict Restricted Entry should be in the campus. Girls' students and Women staff should always feel safe and secure in the institute
