Principal

Shri. Kalyan J. Jadhav

M.Com (Hons.)
Founder President

Best Practice 1

1. Title of the Practice: Industry Institute Interaction

Objectives:

- Being affiliated to SPPU, in syllabus structure industry required subjects cannot include so to bridge the gap between Industry and academia i.e. to prepare the students as per the industry requirement.
- Enhancing the knowledge of students through the Guest lectures by Industry experts, Industrial visit, internships, sponsored/suggested projects etc.

2. The context:

- To create a platform for better communication with industry experts, Industry Advisory board (IAB) has been formed. IAB members are highly experience and experts from various industry domains. Many members have signed up the MoU with institute for betterment of students.
- This kind of valuable guidance of members grooms up the students with industry requirement and help them in making more employable.
- Students get benefit of this kind of association in terms of internship, placement.

3. The Practice:

- At institute Industry Advisory board members meeting are kept periodically, meetings held in presence of Principal, all heads of department and senior faculty.
- Discussion and suggestions are given by board members how industry and institute can work together for the betterment of students. Members give their view on Value added program, BE projects topics, internship domains and Industrial visit.
- Based on the discussions in the meeting different value added programs on technical subjects use to conduct in the institute. Also The board members help the institute to arrange Industrial visit for students and provide the internship to the students
