Kargil Vijay Divas

Trinity College of Pharmacy (TCOP) celebrated Kargil Vijay Divas to commemorate India's victory in the 1999 Kargil War and to honor the bravery and sacrifice of the Indian Armed Forces. The main objective of the celebration was to instill a sense of patriotism among students and staff, and to pay tribute to the courage and dedication of the soldiers who laid down their lives for the country. The session was coordinated by Ms. Areej Siddiqui & Ms. Sayali Chavan.

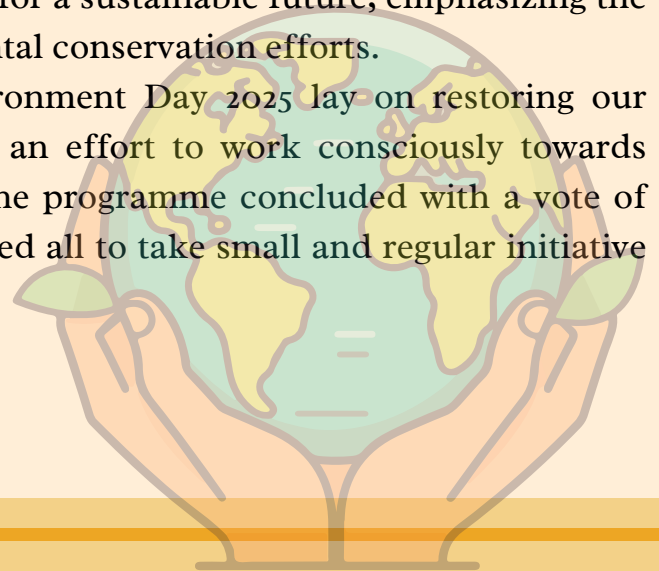

World Environment Day

World Environment Day is celebrated every year on 5th June to encourage awareness and action for the protection of the environment. This year, the global theme was "Beat Plastic Pollution," highlighting the urgent need to reduce single-use plastics and promote sustainable alternatives. To mark this occasion, we were advised to create awareness about environment. TCOP served as a platform for participants to pledge their commitment to safeguarding our planet for a sustainable future, emphasizing the importance of collective action in environmental conservation efforts.

The main focus on the eve of World Environment Day 2025 lay on restoring our natural surrounding and the need to make an effort to work consciously towards making the environment clean and green. The programme concluded with a vote of thanks by Principal Sir in which he encouraged all to take small and regular initiative to protect our environment.

Research & Development highlights

The Research & Development (R&D) cell of our institute continues to foster innovation, creativity, and scholarly excellence. With a strong focus on interdisciplinary research, our faculty and students are actively engaged in projects addressing emerging challenges in healthcare, pharmaceutical sciences, and technology.

The R&D cell remains committed to promoting a spirit of inquiry and innovation, encouraging faculty and students to contribute significantly to the advancement of science and society.

We extend our heartiest congratulations to Dr. Ketan Bhutkar for being awarded the Doctor of Philosophy (Ph.D.) in “Development and Characterization of Herbal Nano Particle of *Euphorbia thymifolia* Linn for Treatment of Diabetes.” From VELS University, Chennai. This remarkable achievement is a testament to his dedication, perseverance, and commitment to academic excellence.
