## About TCOP

*The ideal venue for knowledge overload, unlimited possibilities, and broadening your worldview*" is Kalyan Jadhav's Educational Institutes (KJEI), the East Coast centre of engineering, management, and sciences. The beautiful slopes of Bopdev Ghat, Yewlewadi, Pisoli Pune is home to KJEI's Trinity College Pharmacy, which opened in June 2019. The college has been approved by the AICTE, PCI, DTE and Govt. of Maharashtra and is affiliated to D.BATU University and MSBTE. The College offers courses in Diploma and Degree. The college has state-of-the-art infrastructure, including well-designed classrooms and labs.

The College is on the curing edge of providing high-quality education and becoming a premier knowledge destination. With it's near-zero pollution and pristine air, the Institute in Pune is spread on 125 acres of scenic campus hidden in the lush valley. The Institute in Pune is located across 125 acres of gorgeous campus nestled in the lush valley, which provides a great suitable low-stress climate for learning, research, innovation, and character-building due to its near zero pollution and pure air. Because of its modest size, KJEI has a strong sense of community that goes hand-in-hand with a youthful vibrancy in the atmosphere.

## PRESIDENT'S MESSAGE:

It was always my dream since youth to contribute to society. KJ's Educational Institute (KJEI) was born in 2006 to provide quality education at an affordable cost to the youth, especially those from rural areas, to increase their innate potential & thereby contribute to the National Development. My mission is to give opportunity for employment to every student entering our institute. My aim is to motivate the students to contribute in nation building through entrepreneurship, higher education and disciplined way of life.

The colleges on the campus have shown positive growth with each passing year. I will continue contributing by enhancing the facilities for the development of faculty and students. I pray to the almighty to give us strength for continual improvement of the colleges holistically and help KJEI to make a mark in the field of Education.

**- Hon. Shri. Kalyan Jadhav**

Founder President, KJEI, Pune

## VISION

"To be Premier Knowledge Centre Socio-economic Development"

## MISSION

"To provide education that combines rigorous academics with joy of discovery through sustained efforts and dynamic strategies in building innovative, participatory, problem based learning practices and research that leads to capacity building of students"

## ***Treasurer's Message***

**Shri. Vinod K. Jadhav**

Treasurer, KJEI, Pune

Since its inception in 2005, K. J. Educational Institutes have been committed to building quality and leadership in education. Over the years, the organisation has evolved into a platform of academic options and has become a one stop destination for nurturing a kid into a fully equipped professional. KJEI endeavour to develop vibrant and broad based academic programs with emphasis to inculcate strong conviction towards morality and ethics in engineers of a high technical standard emanating from every college in the group. We are dedicated to give our students a bright future. I congratulate and welcome the students who have gained admission to our college and wish them success.

## ***Managing Director's Message***

**Mrs. Harshada V. Jadhav**

Managing Director, KJEI,  
Pune

It gives me immense pleasure in welcoming the new students on behalf of the entire community of the Trinity Academy of Engineering. Not only academics, the co-curricular activities, sports, adventure, cultural and social activities form important parts of the life of the students. All undergraduate, postgraduate and all the faculty members on the campus have developed a unique, close and family like relationship between students and teachers to help them grow personally as well as professionally. Our hopes and aspirations are invested in the holistic development and well being of our students. Best wishes to all the new students, who are going to be a part of our campus.

## *Managing Director's Message*

**Ms. Vibhavari K. Jadhav**

Managing Director, KJEI,  
Pune

"We have a myriad of young, vibrant and talented minds on this campus and it's vital that they are provided with all the opportunities to a formal education as well as an opportunity to make a difference in the world as a contributing force." That's what we aim to do and being an educational institute this responsibility is not the end product for us, it's what we strive for every day. I believe we all can make difference in this world, but what sets us apart is the kind of difference we choose to make and I'm truly grateful to be able to contribute towards it.

## *Executive Director's Message*

**Maj. Gen. Sameer Kalla  
(VSM) Retd.**

Executive Director, KJEI,  
Pune

We the members of KJEI family strive to attain excellence in every activity which we take up. We have a wide spectrum of institutions on our campus. We invite students, parents and persons from Industry to visit us and see our students perform in academics as well as in extracurricular activities. You can join our family as students, faculty, guest faculty or just as our well-wisher too. You all are most welcome. Please remember academic rigour is our forte!

## From Principal's Desk

Welcome to Trinity College of Pharmacy (TCOP). I heartily congratulate you for opting for Pharmacy as a trajectory to shape your professional career and personal life.

**“A LITTLE PROGRESS EACH DAY ADDS UP TO BIG RESULTS”**

We believe not only in academic excellence but also in the overall development of our students. Our aim is not only to produce pharmacy graduates but also to mould an ideal Pharmacy professional who can cater the needs of society and the challenging Pharmacy profession. College provide with the state of the art facilities, young dynamic and meritorious faculty, well-furnished and equipped laboratories with modern instruments, excellent library, computer lab with latest configuration of computers with Internet facility.

**Dr. Sanjay R. Chaudhari**  
Principal,  
Trinity College of Pharmacy

## COURSE OFFERED

|                  |                           |
|------------------|---------------------------|
| <b>D. Pharm.</b> | 2 years full-time program |
| <b>B. Pharm.</b> | 4 years full-time program |

## Department of Pharmaceutics

The Department has competent, well qualified and experienced Faculty Members committed to excel in education and research, well-equipped laboratories, and adequate Industry exposure to train our students and equip them to become industry-ready Pharmaceutical Professionals.

## Department of Pharmaceutical Chemistry

The Department of Pharmaceutical Chemistry plays a vital role in developing a student into a true Pharma Professional. Various research activities are conducted in the Department related to analytical method development and validation, synthesis and evaluation of drugs, etc.

## Department of Pharmacology

The Department consist of separate lab of human anatomy and physiology and Pharmacology. The laboratory sessions enable students to comprehend the various parameters useful for the analysis of drug action with help of Computers, LCD projector & internet facilities inside the laboratory.

## Department of Pharmacognosy

The Department of Pharmacognosy is a specific discipline which deals with studies of the crude drugs obtained from biological origin like Plants, Animals & Minerals. The department has an undergraduate research laboratory, a crude drug museum, and herbarium specimens of various plant materials, as well as modern technology instruments for extracting and isolating natural medicinal compounds.

## Department of Diploma in Pharmacy

The duration of the course is for two academic years. Each academic year shall be spread over a period of not less than one hundred and eighty working days. In addition, there are five hundred hours of practical training spread over a period of not less than three months. After successful completion of the course, students can register as pharmacists under the state pharmacy council.
