- ❖ To be a premier knowledge centre for Socio-Economic development.

OUR MISSION.....

- ❖ To provide education that combines rigorous academics with joy of discovery through sustained in building innovative, participatory, problem based learning practices and research that leads to capacity building of students.

DEPARTMENT OF
ELECTRICAL ENGINEERING

NEWS - LETTER

2025-26

PRESIDENT'S MESSAGE:

It was always my dream since youth to contribute to society. KJ's Educational Institute (KJEI) was born in 2006 to provide quality education at an affordable cost to the youth, especially those from rural areas, to increase their innate potential & thereby contribute to the National Development. My mission is to give opportunity for employment to every student entering our institute. My aim is to motivate the students to contribute in nation building through entrepreneurship, higher education and disciplined way of life.

"The journey of a thousand miles begins with one step. "The colleges on the campus have shown positive growth with each passing year. I will continue contributing by enhancing the facilities for the development of faculty and students. I pray to the Almighty to give us strength for continual improvement of the colleges holistically and help KJEI to make a mark in the field of Education.

Hon. Shri. Kalyanji Jadhav
Founder President, KJEI, Pune

FROM THE PRINCIPAL'S DESK

Dear Students,

Presently the Institute is offering five diploma level courses as Computer Engineering, Civil Engineering, Electrical Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering. The Institute is committed to produce Engineers with multidimensional personality. We facilitate our students to excel academically and to develop their personalities in all above diverse fields. Our qualified and dedicated faculty has a passion to pass on this enthusiasm to each student and to inculcate in them the spirit of curiosity and learning. The students are encouraged to focus on their strengths and to develop confidence. I assure that every student will have comfortable stay in our campus and will reach to new height of excellence.

Dr. Sharad .S.Kande

Ph.D.(E&C Engg.)

Principal, Trinity Polytechnic, Pune

From the HOD'S Desk

Ever since the department of **Electrical Engineering** started its journey over two decades back, the department has been simultaneously and successfully performing the multiple roles of creating new knowledge, acquiring new capabilities and producing an intelligent human resource pool contributing in various domains of the society.

Like any other area of science, Electrical Engineering technology is also going through rapid changes. In order to impart education in such an ever-changing area, an institution needs to keep itself always updated through course curriculum, laboratories resources, and most important faculty. Our engineering and computer laboratories are well equipped with state-of-the-art facilities.

We have a team of qualified, experienced & dedicated teaching faculty. Department is supported by equally dedicated qualified laboratory staff. I welcome the prospective students/all stakeholders to the Department of Electrical Engineering at Trinity Polytechnic Pune.

Mrs. Jagtap S. Y.

M.E. Power System, Ph.D Appearing

HOD, Electrical Engg. Department

Trinity Polytechnic, Pune

DEPARTMENT VISION

- To become a premier Department for overall student development.

DEPARTMENT MISSION

- To provide joyful academic environment through available infrastructural facilities and human resources.
- To build technical skills relevant to Electrical Engineering field and problem solving attitude by using modern methods and techniques.
- To build overall character of student community by imparting social skills.
