E&TC Engineering**

**News Letter
2K26**

PRESIDENT'S MESSAGE:

It was always my dream since youth to contribute to society. KJ's Educational Institute (KJEI) was born in 2006 to provide quality education at an affordable cost to the youth, especially those from rural areas, to increase their innate potential & thereby contribute to the National Development. My mission is to give opportunity for employment to every student entering our institute. My aim is to motivate the students to contribute in nation building through entrepreneurship, higher education and disciplined way of life.

"The journey of a thousand miles begins with one step. "The colleges on the campus have shown positive growth with each passing year. I will continue contributing by enhancing the facilities for the development of faculty and students. I pray to the Almighty to give us strength for continual improvement of the colleges holistically and help KJEI to make a mark in the field of Education.

Hon. Shri. Kalyanji Jadhav

Founder President, KJEI, Pune

From the Principal's Desk

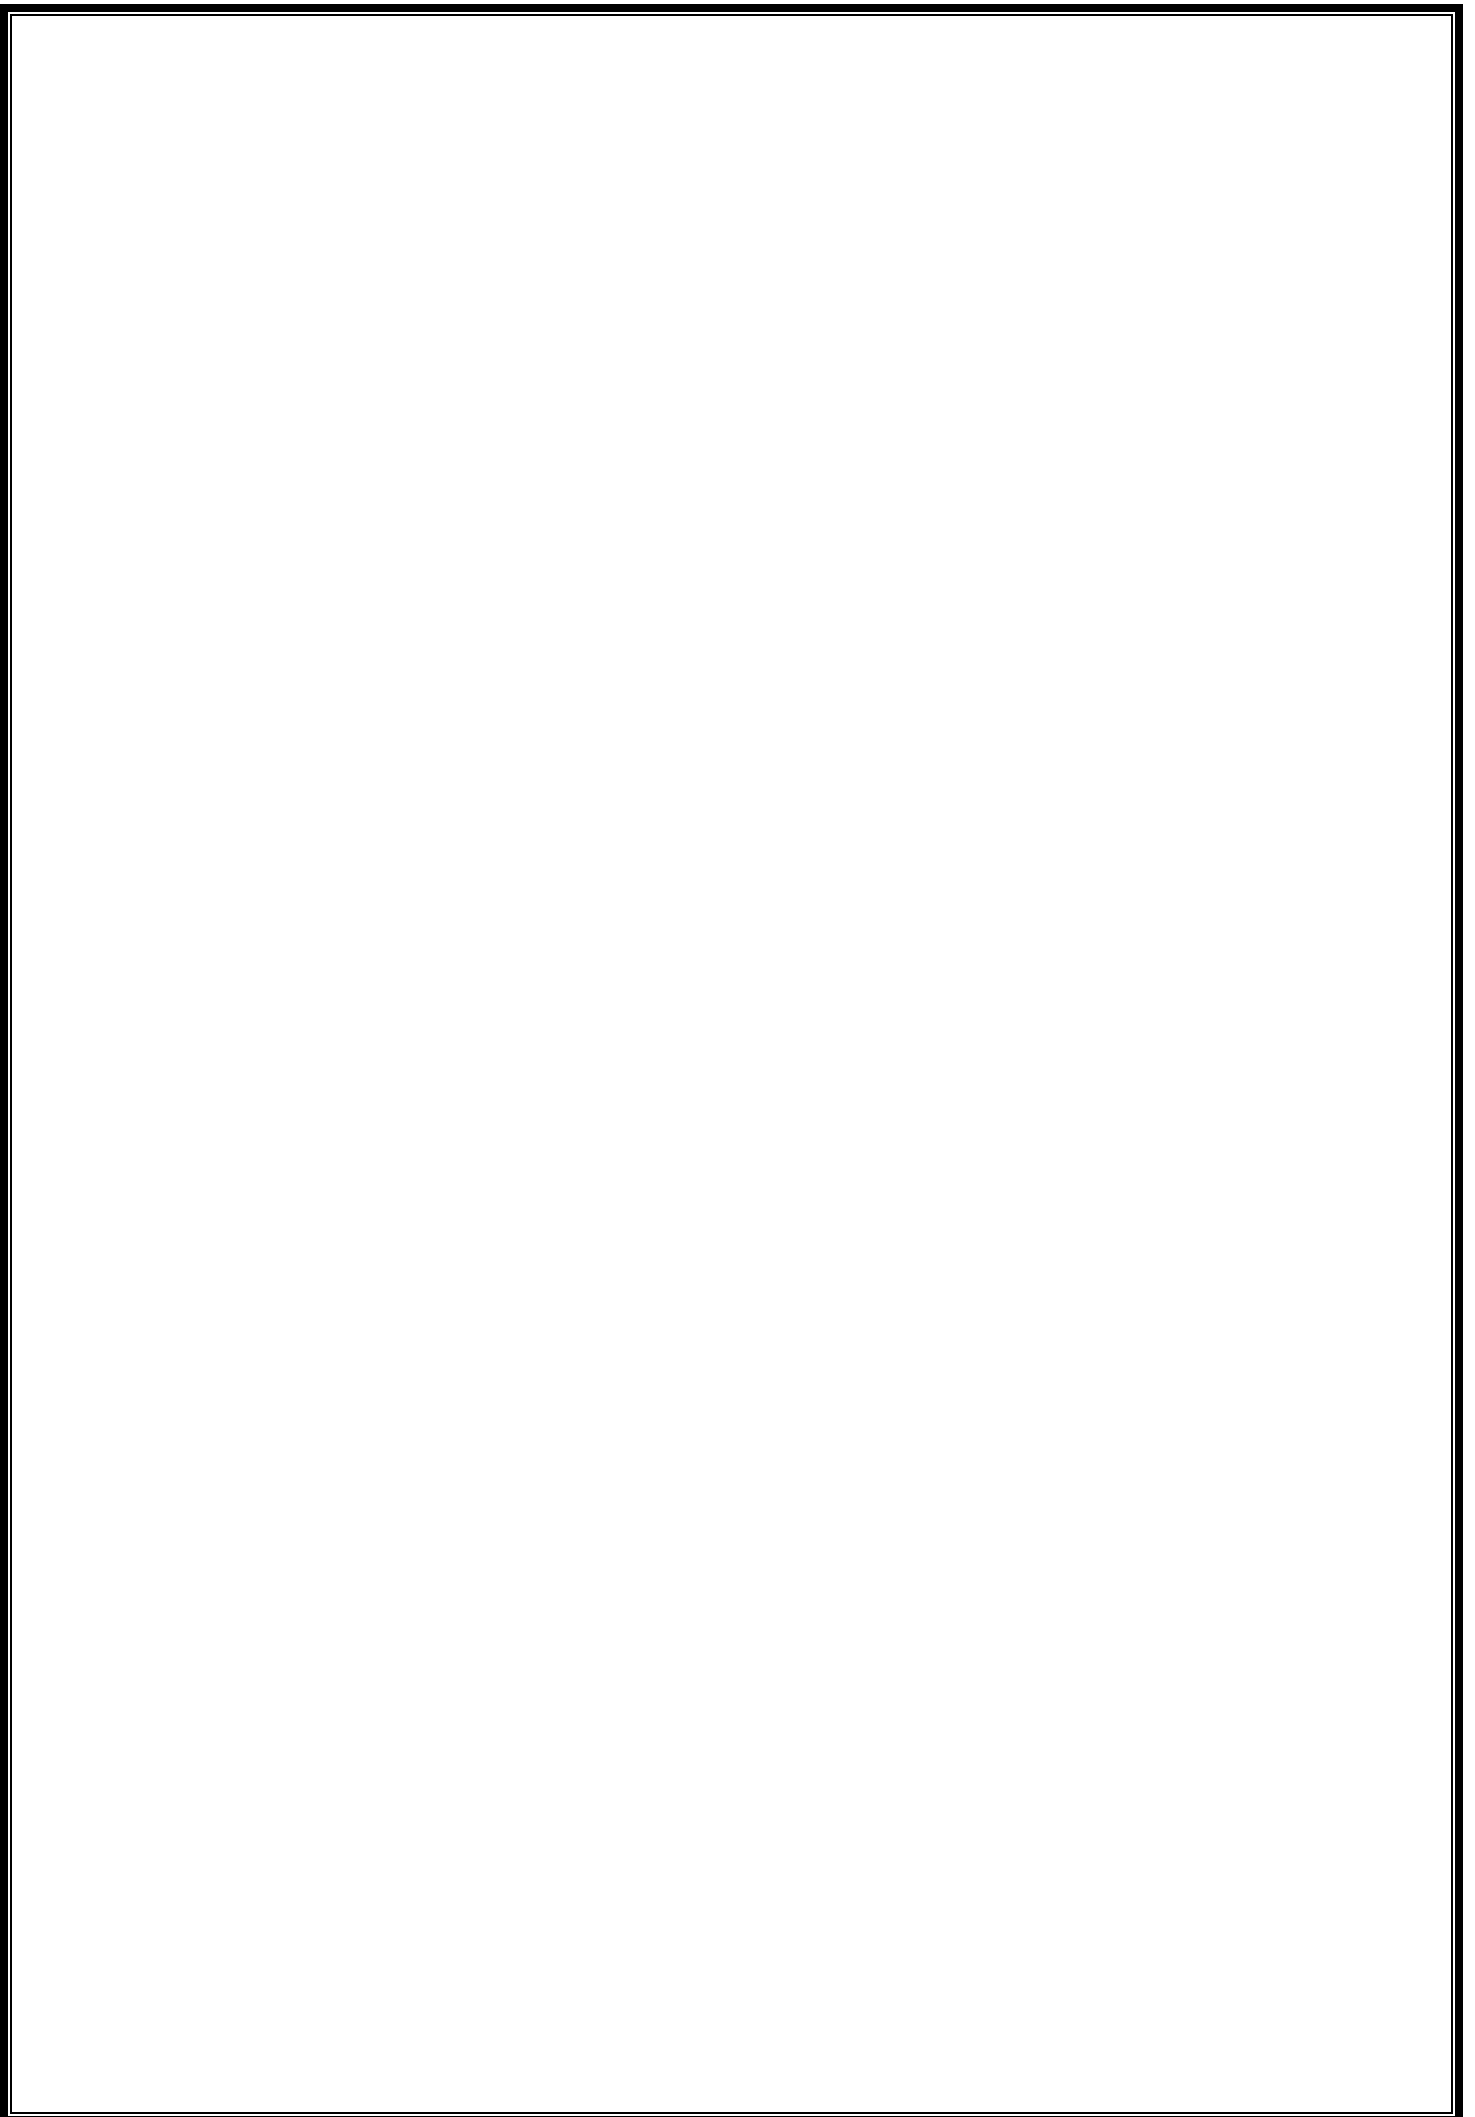

Dear Students,

Presently the Institute is offering five diploma level courses as Computer Engineering, Civil Engineering, Electrical Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering. The Institute is committed to produce Engineers with multidimensional personality. We facilitate our students to excel academically and to develop their personalities in all above diverse fields. Our qualified and dedicated faculty has a passion to pass on this enthusiasm to each student and to inculcate in them the spirit of curiosity and learning. The students are encouraged to focus on their strengths and to develop confidence. I assure that every student will have comfortable stay in our campus and will reach to new height of excellence.

Dr. Sharad .S. Kande

Ph.D.(E&CEngg.)

Principal, Trinity Polytechnic, Pune

HOD Of E&TC Department

Dear Students, Parents, and Esteemed Guest

It gives me great pleasure to welcome you to our Electronics and Telecommunication Engineering department. Since 2014, the E&TC Department has focused on delivering strong practical knowledge along with theoretical learning. Our department is committed to providing quality technical education that not only builds strong academic foundations but also nurtures practical skills and professional values.

We strive to create an environment that encourages learning, creativity, and critical thinking through well-equipped laboratories, experienced faculty, and various academic and co-curricular activities.

We also focus on the overall development of our students by promoting discipline, teamwork, leadership qualities, and ethical values. Through workshops, industrial visits, training programs, and project-based learning, we prepare our students to meet real-world challenges with confidence.

I encourage all students to make the most of the opportunities provided and work diligently towards achieving their goals. With the combined support of faculty and parents, I am confident that our students will excel and contribute positively to society.

Wishing you all success in your future endeavours.

Thank you.

Mr. Pawar Yuvraj Subhashrao

BE (E&TC Engineering), ME (VLSI & Embedded System)

HOD- E&TC Engineering Department
