# MEGA CON AI WORKSHOP - HANDS- ON AI TRAINING BY MR. ABHINAV DESARUPAPU

## MEGA CON AI WORKSHOP

A MEGA ConAI Workshop was organized on 14th August 2025, featuring Mr. Abhinav Desarupapu as the resource person. The workshop offered hands-on training in Artificial Intelligence, enabling students to gain practical knowledge of AI tools, techniques, and real-world applications.

The event was structured over three focused sessions:

- 11th Aug – Python (SE Students)
- 12th Aug – AI/ML & Data Science (TE Students)
- 13th Aug – Cloud & DevOps (BE Students)

The poster features a dark blue background with a glowing grid pattern. At the top left is the Trinity Academy logo. The main title 'AI Writes, Codes, Creates & Much More' is in large, bold, light blue font. Below it, the subtitle 'Explore the Future of AI and Build Your Own Generative AI model' is in a smaller white font. A circular profile picture of Mr. Abhinav Devaguptapu is shown next to his name and a 'Speaker' badge. His bio mentions 7+ years of experience at DRDO and the Indian Army, and his role as Curriculum Development Manager at NxtWave. The organizing department and date are listed in a light blue box at the bottom. The bottom of the poster is decorated with icons of a drone, a brain, a server, and a smartphone.

# Independence Day

## SUSHA MA'AM PHD

23 Aug | 2025

Heartiest congratulations to Susha Ma'am on being awarded her PhD! 🎉

On 15th August 2025, the college proudly celebrated the 79th Independence Day of India with great enthusiasm and patriotic spirit. The ceremony began with the flag hoisting by our respected Principal, followed by the National Anthem. Students and faculty came together to present speeches, cultural performances, and patriotic songs, paying tribute to the sacrifices of our freedom fighters. The event fostered a sense of unity, pride, and responsibility among all present.

We are delighted to share that Susha Ma'am has been awarded her PhD degree, marking a significant milestone in her academic journey. Her dedication, hard work, and pursuit of excellence are truly inspiring for students and colleagues alike.

# MINI SHARK TANK

The Mini Shark Tank event provided a dynamic platform for students to pitch their innovative ideas, showcase entrepreneurial skills, and receive valuable feedback from mentors and evaluators, fostering creativity and startup culture on campus.

# INDUSTRIAL VISIT - 30 AUG

On 30th August, students participated in an enriching industrial visit, gaining firsthand exposure to real-world processes, technologies, and professional work culture. The visit bridged classroom learning with practical industry insights, enhancing their overall understanding.

CONDUCTED ON 30TH  
AUGUST 2025
