

Civil Engineering Department Activities in July 2025

Sr No	Name of Activity Date	Date
1	Value Added Program – On Government Contracting, Construction Practices, and Technical Skills Enhancement For SE, TE and BE Civil Engineering Students from	2nd July to 7th July 2025
Objectives	<p>To provide students with practical knowledge and exposure to key aspects of civil engineering through expert-led sessions and site visits. The program aims to:</p> <ol style="list-style-type: none"> 1. Understand government contract registration and e-tendering procedures. 2. Explore construction practices through visits to a construction museum and RMC plant. 3. Learn about career opportunities and the use of Remote Sensing & GIS in civil engineering. 4. Gain basic skills in AutoCAD software. 5. Observe sustainable practices implemented on campus like WTP, STP, and RWH. 6. Experience historical site development through a visit to Purandar Fort.
