As the monsoon brought a refreshing change, July at Department of Computer Engineering was filled with vibrant events, inspiring talks, and student achievements. This edition captures the essence of a month that blended knowledge, creativity, and collaboration.

# EVENTS IN APRIL 2K25

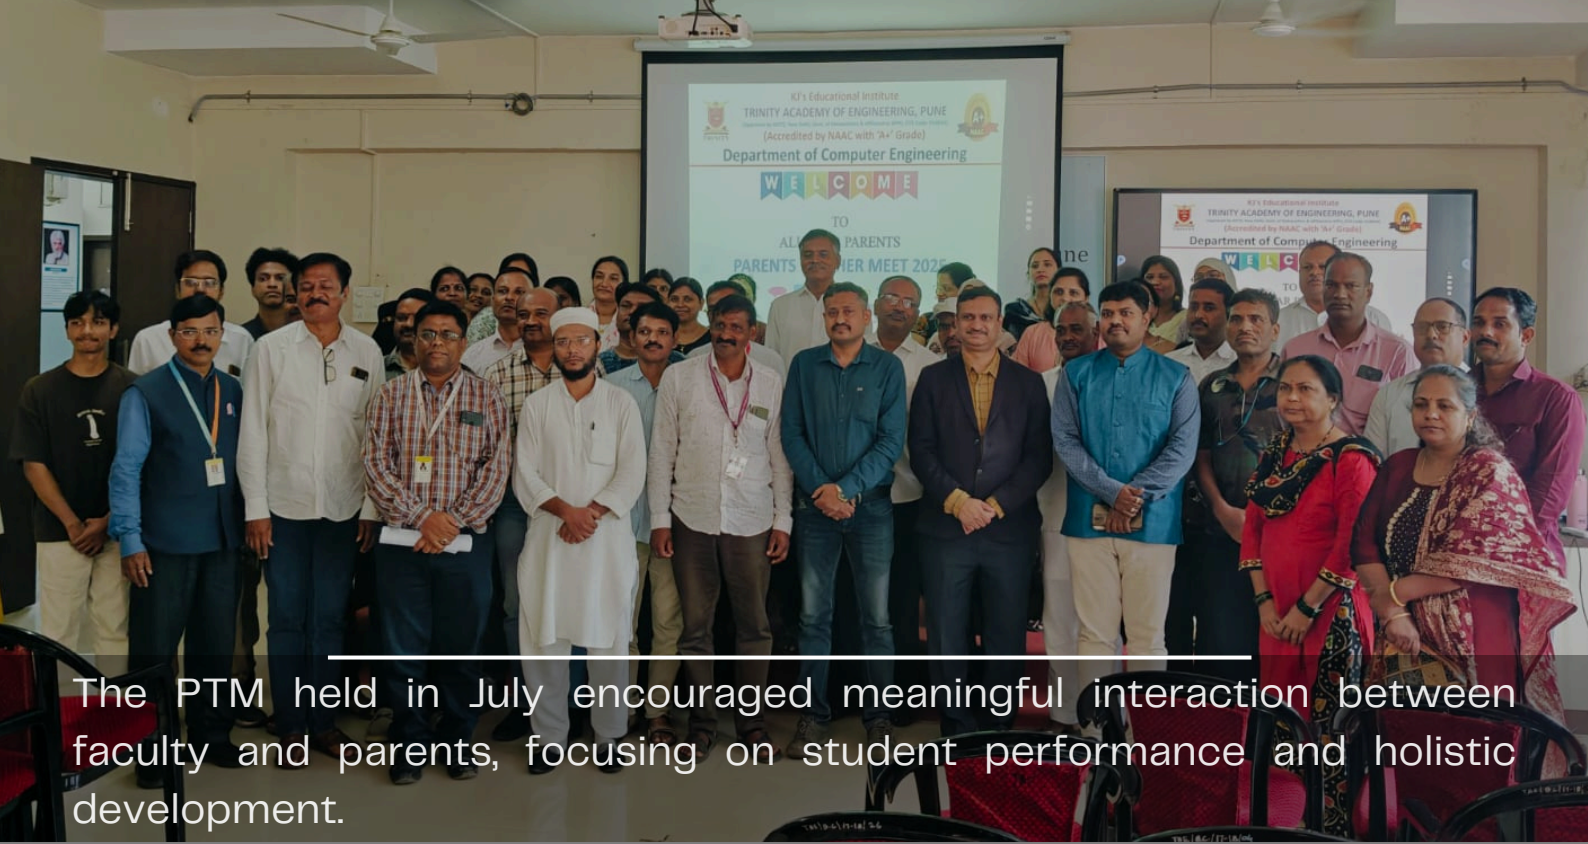

- 1) FDP - Edurise
- 2) PTM - Parents Teachers Meeting
- 3) Cyber Security & Digital Forensics Bootcamp
- 4) MoU Signed with cloudblitz.pvt. ltd Kothrud, Pune
- 5) Session by Advait Keskar
- 6) MoU signed by CS with RPS cybershield
- 7) Students playing on ground (CSE-A)
- 8) Expert talk on Universal human values by ( Dr. Raju Panchal.)
- 9) Guru Purnima celebration
- 10) Project Review (Title Finalization)
- 11) Session on Cyberpulse
- 12) Gate Awareness program in association with (ACE Academy)
- 13) Alumni Interaction Series Session-2 - (Mr. Moin Azam)
- 14) Add on-courses conducted by Lagdvices on Java (Kawshalayam skill development)
- 15) Cybersecurity session on hackfest
- 16) Current trends & higher education opportunities in Japan with technical expertise and Bilingual skill set (Speaker Mr. Sase)
- 17) Scholarship to study Abroad (by Mr. Subhash Pal)
- 18) Session on Innovation/Prototype Validation
- 19) Session by principal sir for SE students
- 20) The winners of Hackathon 2025 organized by HSBC Technology!

# FDP - Edurise

This July, our campus saw an exciting collaboration with Edurise Academy, an initiative focused on bridging the gap between academics and industry. Through their flyer campaign, students were introduced to career-building opportunities like internships, coding mentorships, resume building, and personality development sessions—empowering them to step confidently into the professional world.

# Parents Teachers Meeting

The PTM held in July encouraged meaningful interaction between faculty and parents, focusing on student performance and holistic development.

The Parents Teachers Meeting held this July served as a valuable platform for constructive dialogue between faculty and parents. Discussions focused on students' academic progress, attendance, and overall development. The collaborative exchange aimed to strengthen the support system around each student, fostering better engagement and growth.

# MoU Signed with cloudblitz.pvt. Ltd

MoU signing ceremony between Trinity Academy of Engineering and Cloudblitz Pvt. Ltd. to promote industry-academia collaboration and student growth.

# Session by Advait Keskar

3rd July | 2025

Principal Dr. R. J. Patil presenting a token of appreciation to Mr. Advait Keskar for conducting an insightful and impactful session for the students.

Mr. Advait Keskar delivering a thought-provoking session, guiding students through real-world scenarios and sharing valuable advice for academic and professional growth.

# Cyber Security & Digital Forensics Bootcamp

KJ'S Educational Institute  
Trinity Academy of Engineering

**CYBER SECURITY & DIGITAL FORENSICS BOOTCAMP**

ORGANIZED BY  
THE DEPARTMENT OF COMPUTER ENGINEERING

July, 1st 2025 8:45 AM Onwards

**SPEAKERS :**

**Mr. Tushar Chavan**

Certified Ethical Hacker & Penetration Tester

- CPEH | CPTe | CPTC Certified
- 4+ Years of Experience
- Hands-on in Security Audits & Bounty Hunting
- Recognized by NASA & Nojoto | Bounties from GetVero & ClickTime

**Mr. Kishor Nikam**

Technical Director, Arika Consultancy Services & Amme CyberTech

- 12+ Years in Cyber Security
- Worked with the Indian Army
- Certified in CPEH, CPTe, CPTC, CCSO, CISSA

**VENUE : ROOM NO. 406**

On 1st July, a hands-on bootcamp on Cyber Security and Digital Forensics was conducted by Mr. Tushar Chavan and Mr. Kishor Nikam from Mile2. The session provided students with practical insights into ethical hacking, threat analysis, and digital investigation techniques.

Principal Dr. R. J. Patil presenting a Certificate of Appreciation to Mr. Tushar Chavan for his valuable contribution during the Cyber Security & Digital Forensics Bootcamp held on 1st July.

# STUDENTS PLAYING ON GROUND

Students enjoying sports and outdoor activities, promoting fitness, teamwork, and a balanced campus life.

## ACTIVE BREAKS, ENERGETIC MINDS

The college ground came alive this July as students actively participated in various outdoor sports and games. From friendly cricket matches to energetic football sessions, the atmosphere was filled with enthusiasm and team spirit. These recreational moments not only offered a refreshing break from academics but also promoted physical well-being, camaraderie, and stress relief—reflecting the college's commitment to holistic student development.

# Expert talk on Universal human values by ( Dr. Raju Panchal.)

**KJ's Educational Institute**  
**Trinity Academy of Engineering**

**EXPERT TALK ON UNIVERSAL HUMAN VALUES**

ORGANIZED BY  
 DEPARTMENT OF COMPUTER ENGINEERING

Date : July, 11th 2025  
 Time : 10:30 AM Onwards  
 Venue : CC Lab

**Speaker :**  
**Dr. Raju Namdevrao Panchal**  
 Professor, Mechanical Engineering  
 JSPM's Rajarshi Shahu College of Engineering, Pune

- Ph.D. in Mechanical Engineering (Solar Energy)
- 20.5+ Years Teaching Experience
- Area of Specialization: Manufacturing Engineering
- Published 35+ Research Papers
- Life Member – ISTE & QCFI

Dr. Raju Panchal delivered an insightful session on Universal Human Values, encouraging students to reflect on ethics, empathy, and personal responsibility. The talk emphasized the importance of values in shaping one's character and contributing positively to society. It was a thought-provoking session that inspired students to align academic growth with moral development.

# GURU PURNIMA CELEBRATION

10<sup>th</sup> July | 2025

Guru Purnima was celebrated with deep reverence and gratitude, honoring the guiding lights—our teachers—who shape our knowledge and character. The event included heartfelt speeches, cultural performances, and token gestures of appreciation, creating a serene and respectful atmosphere across the campus.

## STUDENTS EXPRESSED THEIR GRATITUDE BY PRESENTING FLOWERS TO THE FACULTY.

# PROJECT REVIEW (TITLE FINALIZATION)

Students participated in the Project Review session focused on finalizing project titles under faculty guidance. The session aimed at aligning student ideas with academic and practical relevance, marking the first milestone in their final-year project journey.

# SESSION ON CYBERPULSE

A special session on Cyberpulse was conducted to raise awareness about cybersecurity trends, digital hygiene, and safe online practices. The session offered students valuable insights into cyber threats and how to stay protected in an increasingly digital world.

ACCREDITED BY NAAC 'A+' GRADE

**CYBERPULSE**

Hon. Kalyan Jadhav  
President KJIEI

Securing Tomorrow

**OUR HONORABLE GUESTS**

**Mr. Arindam Paul**  
Managing Director, Anika Consultancy Pvt. Ltd.  
Managing Director, Amies Cybertech Pvt. Ltd.  
Asian Region Distributor, Misco, World's Best Cyber Security Training and Certification Company

**Mr. Paresh Yadav**  
Director, PRS CyberShield Pvt. Ltd.  
A Harvard-certified, Senior Management Expert & Entrepreneur

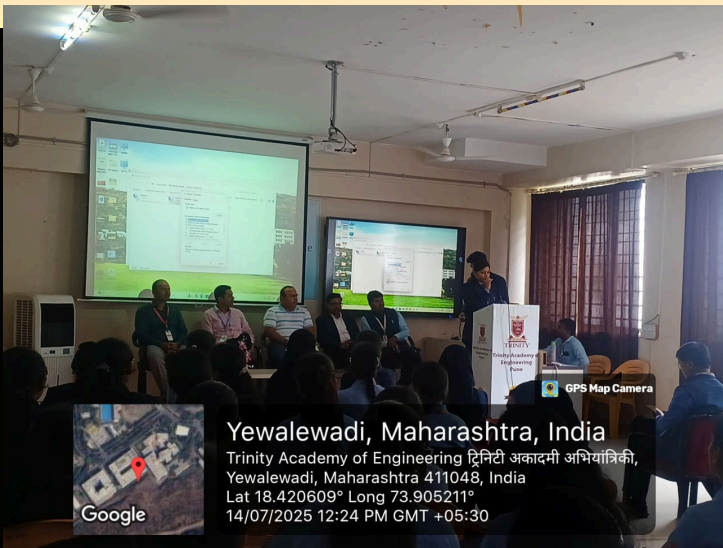

**Mr. Vikas Raskar**  
Founder PRS CyberShield and Rahitech Solution

July 14, 2025

Venue: Computer Seminar Hall, Department of Computer Engineering, Trinity Academy of Engineering, Pune

10 A.M.

# ALUMNI INTERACTION SERIES SESSION-2 (MR. MOIN AZAM)

We sincerely appreciate Mr. Moin Azam for sharing his journey and motivating the next generation with practical advice and encouragement.

As part of the ongoing Alumni Interaction Series, Mr. Moin Azam, a distinguished alumnus, shared his professional journey, industry experiences, and valuable career insights with students. The session offered motivation, practical guidance, and a strong connection to life beyond the campus.

Principal Dr. R. J. Patil presenting a Certificate of Appreciation to Mr. Moin Azam for his inspiring session during Alumni Interaction Series - Session 2.

HoD Prof. R. B. Lagdive presenting a Certificate of Appreciation to Mr. Moin Azam for his valuable contribution to Alumni Interaction Series - Session 2.

Mr. Moin Azam engaging with students during Alumni Interaction Series - Session 2, sharing insights from his professional journey and offering career guidance.

# GATE AWARENESS PROGRAM IN ASSOCIATION WITH (ACE ACADEMY)

A GATE Awareness Program was conducted in association with ACE Academy, aiming to guide students on exam preparation strategies, syllabus insights, and career opportunities through GATE. The session helped students understand the importance of early planning and effective study techniques for competitive exams.

# ADD ON-COURSES CONDUCTED BY PROF. R. B. LAGDIVE ON JAVA (KAWSHALAYAM SKILL DEVELOPMENT)

An add-on course on Core Java was conducted by Prof. R. B. Lagdive as part of the Kaushalayam Skill Development initiative. The course focused on building strong programming fundamentals, object-oriented concepts, and real-world Java application development. It provided students with hands-on experience to enhance their technical skill set and employability.

# Cybersecurity session on hackfest

20th July | 2025

## **CYBERSECURITY SESSION DURING HACKFEST 2025**

As part of Techfest 2025, a dedicated session on Cybersecurity was organized to raise awareness about digital threats, ethical hacking, and data protection strategies. The session featured expert insights, real-world case studies, and interactive discussions that helped students understand the critical role of cybersecurity in today's tech-driven world.

Cybersecurity session conducted during Hackfest 2025, highlighting real-world threats and security practices in the digital age.

# EXPERT TALK ON "OPERATION SINDOOR : OUTREACH"

**Trinity Academy of Engineering**  
Accredited by NAAC 'A+' Grade  
DTE CODE:EN6634

Expert talk on  
**"Operation Sindoor: Outreach"**  
(Highlighting the saga of Valour and Fortitude of the Indian Armed Forces)

**30th July**  
0945 hrs

**About OUR SPEAKER**  
Brigadier Avtar Singh Sekhon  
Sena Medal  
Brigadier General Staff,  
Military Intelligence Training  
School & Depot.

**Features**

- Open for all Dept.
- Opportunity to interact with an esteemed military officer

KJEI Auditorium Hall

On 30th July, Trinity Academy of Engineering hosted an inspiring expert talk titled "Operation Sindoor: Outreach", delivered by Brigadier Avtar Singh Sekhon, Sena Medal awardee and Brigadier General Staff at the Military Intelligence Training School & Depot.

The session highlighted the valour, fortitude, and humanitarian efforts of the Indian Armed Forces, giving students a rare glimpse into the lives and challenges of military personnel. The interaction instilled patriotism, leadership values, and national pride among attendees from all departments.

Felicitations of Brigadier Avtar Singh Sekhon by Principal Dr. R. J. Patil after an inspiring talk on "Operation Sindoor: Outreach" at KJEI Auditorium.

# Session on Innovation/Prototype Validation - Converting Innovation into a Start-up

KJ's Educational Institute  
Trinity Academy of Engineering

**SESSION ON INNOVATION/PROTOTYPE  
VALIDATION - CONVERTING INNOVATION  
INTO A START-UP**

ORGANIZED BY  
INSTITUTE INNOVATION CELL AND ENTREPRENEURSHIP  
DEVELOPMENT CELL

Date : July, 31st 2025  
Time : 9 : 30 AM Onwards  
Venue : Seminar Hall,  
Computer Department (412)

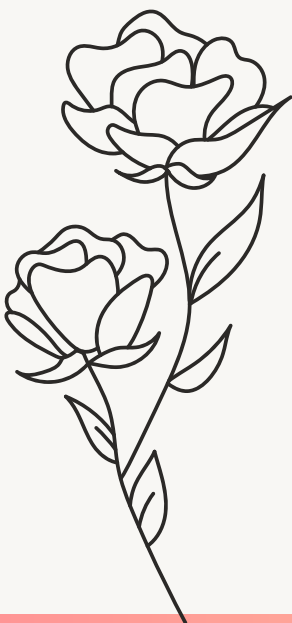

**Speaker : Mr. Mrudang Y Shukla**  
Chief Executive Officer  
DPU Foundation For Innovation Incubation  
and Entrepreneurship

On 31st July 2025, the Institute Innovation Cell and Entrepreneurship Development Cell of Trinity Academy of Engineering organized an insightful session on "Innovation/Prototype Validation – Converting Innovation into a Start-up."

The speaker, Mr. Mrudang Y. Shukla, CEO of DPU Foundation for Innovation Incubation and Entrepreneurship, guided students on validating ideas, building prototypes, and transitioning innovative concepts into viable startups. The session encouraged entrepreneurial thinking and innovation-led growth among budding technocrats.

Mr. Mrudang Y. Shukla addressing students during a session on converting innovation into a start-up, organized by the Institute Innovation Cell and EDC.

# SESSION BY PRINCIPAL SIR FOR SE STUDENTS

A special interactive session was conducted by Principal Sir exclusively for Second Year (SE) students, focusing on academic excellence, personal growth, and career guidance. Sir emphasized the importance of discipline, time management, and innovative thinking in shaping a successful engineering career. Students were motivated to stay focused and make the best use of the opportunities provided by the institute.

Principal Sir addressing SE students in an inspiring session on academic growth and future readiness.

# THE WINNERS OF HACKATHON 2025 ORGANIZED BY HSBC TECHNOLOGY!

Congratulations For being the winners of Hackathon 2025 organized by HSBC Technology!

Anush Daivat, BE Computer

Nakshtra Deshmukh, BE Computer

Appreciated by Dr. Rupesh Patil, Principal, TAE

Outstanding achievement—keep up the excellent work! 🎉
